## FSP Member Spotlight Questionnaire

**Khaled Algashaamy, MD**  
Pathologist at Jupiter Medical Center  
Jupiter, Florida

**What is your current role?**

I am currently a staff Pathologist at Jupiter Medical Center.

**What is the best part of your occupation?**

I enjoy complex cases, the collegial environment, and a cool part of the state.

**How did you become interested in pathology?**

My best friend and colleague got accepted into pathology residency at a time I was still searching for a specialty to pursue. He was gracious enough to open the doors for me into the world of pathology; I stepped in and never looked back.

**How did you become involved with the FSP?**

Dr. Carmen Gomez's mentorship and Dr. Tony Martinez's guidance.

**Explain how you benefit from being a member of FSP?**

Educational opportunities, network expansion, and professional development.

**What would you like to see occur in the field of pathology (i.e., scientific advances, greater awareness of the field, etc.) during your career?**

Faster and broader adaptation of digital pathology.

**What are your hobbies outside of the office?**

Brazilian Jiu-Jitsu (currently a blue belt), animal flow/movement, and strongman.

**What is something surprising that most people do not know about you?**

Despite my hair bun, I'm actually not Puerto Rican.
