

FTBA Safety Committee

Meeting Minutes

May 17, 2018

Location: Phone Conference

Attendees:

SAFETY COMMITTEE

BUILDING FLORIDA'S
TRANSPORTATION FUTURE SAFELY

MISSION STATEMENT:

The mission of the FTBA – SC is to address the needs of the transportation building industry to further safety awareness, practices and compliance in an effort to reduce work zone accidents and injuries through providing a medium to provide training, best practices and compliance resources to our membership.

Minutes:

I. Updates

A. Mandy Kustra provided an update on the progress of the *Marketing and Membership Committee*

1. A LinkedIn page will be created as a platform for FTBA Safety Committee members to communicate and share ideas.
2. Ajax Paving will sponsor a work zone accident memorial wall at the January conference.
3. Goal of committee is to add at least 19 new members by year's end.
4. Will work on moving forward with calendar competition for children.
5. Will create flyer for circulation to encourage new membership.

B. *Technology* Committee updates provided by Tim McGrath

1. Will develop a template/form/blog for people to share experiences/ideas they have about technology in the industry.
2. Dave Asselin will join the Technology Committee.
3. Discussion of use of drones, onsite I-pads, wearable technology, and queue monitoring technology.

C. Training

1. Update provided by Bryan Stone.
2. Mission Statement: To provide relevant safety training and resource materials to our FTBA members which can be used to educate workers, protect the public and promote safety within our industry.
3. Frank Ortega will join the Training Committee.
4. Brad Sant provided information on the SCTPP certification: Just earned ANSI accreditation, goal is to have materials ready by mid-July
5. Developing an OSHA 10 Hour training for FTBA members.
6. Jon Reeder is in contact with a training network which has a database of 640 safety training videos with 24/7 mobile access, printable certificates, videos in Spanish, and quizzes. His contact has offered to give a short webinar.

II. Comments/Questions/Other

- A. Mark and Phillip will provide an update to FTBA at the convention in August.
- B. FTBA socials are a good opportunity for members to connect face-to-face.

III. Upcoming Dates

- A. June 21st, 2018 is an in-person meeting in Orlando.
