IHC CONSTRUCTION COMPANIES LLC

WOMEN WHO BUILD THE FUTURE

At IHC, we're proud to shine a spotlight on the incredible women who are shaping the world of construction.

From designing innovative structures to leading teams with unparalleled skill, they're breaking barriers and building a brighter future for all.

Our talented female engineers, architects, project managers, and skilled tradeswomen are redefining what's possible in the industry.

Their expertise, dedication, and passion are driving progress and inspiring the next generation of women in construction.

A Message from the President

What a year it's been for the Federation of Women Contractors.

We held our Annual Awards Reception, WomenRock: Rock Steady. Strong Foundations. Bright Futures on June 10th, 2026. We packed Offshore Rooftop with more than 650 industry professionals who came to celebrate those who are shaping the skyline and the industry itself. During the event, FWC was excited to introduce, "Podcast Confessionals, a new platform celebrating the leaders, builders, innovators, and changemakers shaping the future of Chicago's construction industry. The energy was electric, the recognition well-earned, and the message clear; women in construction are not just participating, we're leading.

Month after month, our luncheons have continued to deliver the real talk - new projects, emerging opportunities, and the connections that turn ideas into contracts. And when it came time to fight for our industry, our legislative partners continue to monitor the issues affecting M and WBE Contractor. FWC remains all-in on protecting and advancing diversity, equity, and inclusion in construction. These programs aren't optional extras, they are essential to ensuring women-owned and minority-owned businesses have a genuine shot at success. We will keep pushing. FWC has earned its reputation as a strong, clear voice for women's business ownership and small businesses at every level - local, state, and national. Your support makes that possible.

If you're not yet a member, this is your invitation. Whether you're a woman-owned contractor, engineer, or architect looking for resources and a powerful network, or a prime contractor who believes a more inclusive industry is a stronger industry, there is a place for you here. Join us and help drive the change.

We're also proud to share our updated Membership Directory. Your go-to resource for connecting with qualified WBE, MBE, and DBE firms ready to deliver. Open it. Reach out. Build something new.

Thank you for standing with us. Together, we're not just building structures—we're building a more inclusive, more competitive, and more successful construction industry.

Sincerely,

Tina Chung Hurley

FWC Membership is a Great Value!

Since being founded in 1989, the Federation of Women Contractors (FWC) has grown to be recognized as the largest and fastest-growing local women's organization in the state. We have accomplished this by identifying our members' needs and offering benefits that meet those needs.

Our MISSION
FWC is committed to advocating for women-owned businesses and women executives in the construction industry. The FWC is fully engaged in economic development and public affairs to ensure its members are successful entrepreneurs.

Our Vision
FWC advances and empowers women in the construction industry toward achieving their goals of entrepreneurship and success, helping them find their voice and gain prominence in their chosen trade.

Your Membership Provides:

Communication – Staying in touch with our members is key to our success. Current bid opportunities are posted daily on our website, keeping members up to date with project information.

Networking – Industry speakers provide information on upcoming job opportunities at our meetings, which are held monthly in convenient locations, and our Annual Awards Reception attracts close to 1,000 participants.

Education – Industry-related seminars and workshops are sponsored by FWC and are offered in conjunction with our affiliate organizations, ASA, HACIA, BCU, AACE, WBDC, the U.S. Dept. of Labor, and IHCC.

Advocacy – Lobbyists in Chicago, Springfield, and Washington, D.C., work directly for FWC to keep members abreast of pending legislation and ordinances that affect the construction industry.

To learn more about our organization, we encourage you to join one of our Committees. Not only is it a great way to meet other members, but it gives you insight and input into the operations of FWC.

Our current Committees are:

Membership – This committee is the backbone of our organization. Our Membership Co-Chairs work with committee members on membership recruitment, retention, and services.

Legislative – FWC's legislative advocacy is what sets us apart from other organizations. Our Legislative Co-Chairs work with committee members to develop our legislative agenda and strategies for the year. If you have ever been curious about how legislation affecting our industry is created and implemented, this committee is for you.

Awards Event – Our Annual Awards Reception is the most anticipated event of the year. Successful events require a great deal of planning and creative input. All of this and some fun, too!

Business Development/Programming – Do you have great ideas for speakers and topics? This committee secures speakers for meetings, workshops and event programming.

CLAYCO

NETWORK OF WOMEN

EMPOWERING WOMEN BOTH PERSONALLY AND PROFESSIONALLY.

Our mission is to increase female leadership in the design, construction and real estate development industry. We connect, enable, and engage with women and communities across all areas of the industry to develop, impact and transform the culture from the inside out by investing in women.

Our guiding goals are to provide an environment that creates the opportunity for real connections that empower women both personally and professionally, build awareness and break down gender bias, and have a measurable impact on our projects, competitors, partners, clients, employees and communities.

In 2008, Northern Pipeline became NPL Construction Co., and today, the company is recognized as a leader in energy construction with a reputation for excellence in reliability, performance and customer satisfaction.

For more than a decade, NPL has been a proud supporter of the Federation of Women Contractors. Supporting women in construction through advocacy and job creation is about building more than energy systems. It is about building opportunity. Every woman who builds a business, steps onto a jobsite, solves a complex problem, or takes on a new role creates economic opportunity in households and communities.

Supporting women in construction means investing in talent, strengthening our industry, and creating a future where everyone can build something that matters. NPL is proud to do our part.

Primary Specialty:
Jak Creative Design enhances our partner's brands by creating marketing materials of exceptional quality. We specialize in digital design (emails, static, and animated banner ads, landing pages, C-Suite Presentations), print design (ads, brochures, reports, leave-behinds, POP), environmental design (trade show/meeting/event displays, collateral, and signage), and promotional product design, sourcing, and fulfillment. These materials have been external (consumer-facing and B2B) or internal (employee communications/training/engagement). We have executed successful creative campaigns for clients including (but not limited to) American Express (for 30 years), ComEd and Exelon, PECO, and Pepco (for over 16 years), Federal Reserve Bank of New York, FHLBank of Chicago, InComm, Northwestern Medicine, Southern Company Gas, and more.

02920 Lawns and Grasses
02935 Plant Maintenance

Division 3 - Concrete
03000 Concrete
03010 Concrete Supplies/Rentals
03050 Basic Concrete Materials/Methods
03100 Concrete Forms/Accessories
03200 Concrete Reinforcement
03300 Cast-In-Place Concrete
03370 Specially Placed Concrete
03400 Precast Concrete
03500 Cementitious Decks & Underlayment
03900 Concrete Restoration & Cleaning

Division 4 - Masonry
04000 Masonry
04050 Basic Masonry/Materials/Methods
04200 Masonry Units
04400 Stone
04500 Refractories
04800 Masonry Assemblies
04900 Masonry Restoration/Cleaning

Division 5 - Metals
05000 Metals
05040 Structural Steel Erection
05090 Metal Fastenings
05100 Structural Metal Framing
05102 Ornamental Steel/Steel Decking
05120 Structural Steel
05200 Metal Joists
05210 Steel Joists
05300 Metal Deck
05400 Cold-Formed Metal Framing
05410 Load Bearing Metal Studs
05420 Cold Formed Metal Joists
05425 Eng. Light Gauge Steel Truss
05500 Metal Fabrications
05700 Ornamental Metal
05910 Metal Recycling

Division 6 - Wood and Plastics
06050 Basic Wood/Plastic Materials/Methods
06060 Lumber
06100 Rough Carpentry
06130 Heavy Timber Construction
06150 Wood Decking
06200 Finish Carpentry
06260 Board Paneling
06400 Architectural Woodwork
06415 Countertops
06600 Plastic Fabrications

Division 7 - Thermal and Moisture Protection
07100 Dampproofing & Waterproofing
07180 Traffic Coatings
07200 Thermal Protection
07240 Exterior Insulation & Finish Systems (EIFS)
07300 Shingles, Roof Tiles & Roof Coverings
07400 Roofing & Siding Panels
07410 Metal Roof and Wall Panels
07500 Membrane Roofing
07600 Flashing & Sheet Metal
07800 Fire & Smoke Protection
07810 Applied Fireproofing
07900 Joint Sealers

Division 8 - Doors and Windows
08050 Basic Door/Window Materials/Methods
08100 Metal Doors & Frames
08200 Wood & Plastic Doors
08250 Door Opening Assemblies
08300 Specialty Doors
08311 Manual ICU Sliding Doors
08400 Entrances & Storefronts
08460 Automatic Sliding Doors
08470 Revolving Entrance Doors
08472 Automatic Swing Operators
08500 Windows
08520 Aluminum Windows
08700 Hardware
08800 Glazing
08810 Glass
08900 Glazed Curtain Walls

Division 9 - Finishes
09000 Finishes
09100 Metal Support Systems
09200 Plaster & Gypsum Board
09250 Gypsum Board
09300 Tile
09380 Cut Natural Stone Tile
09400 Terrazzo
09500 Ceilings
09600 Flooring
09610 Floor Treatment
09620 Specialty Flooring
09640 Wood Flooring
09650 Resilient Flooring
09680 Carpet
09700 Wall Finishes
09720 Wall Covering
09800 Acoustical Treatment
09840 Acoustical Wall Treatment
09900 Paints and Coatings
09930 Stains and Transparent Finishes
09970 Coatings for Steel
09990 Paint Removal

Division 10 - Specialties
10000 Specialties
10200 Louvers & Vents
10270 Access Flooring
10440 Interior Signage
10520 Fire Protection Specialties
10600 Partitions
10605 Wire Mesh Partitions
10610 Folding Gates
10650 Operable Partitions

Division 11 - Equipment
11000 Hauling Equipment
11010 Maintenance Equipment
11020 Security & Vault Equipment
11160 Loading Dock Equipment
11210 Supply & Treatment Pumps
11310 Sewage and Sludge Pumps
11440 Waste Disposal Units-Commercial
11425 Hood & Ventilation Equipment
11480 Athletic, Recreational, & Therapeutic Equipment
11500 Industrial & Process Equipment

Division 12 - Furnishings
12000 Furnishings
12300 Manufactured Casework
12490 Window Treatments
12700 Systems Furniture
12710 Fixed Auditorium Seating

Division 13 - Special Construction
13000 Special Construction
13030 Special Purpose Rooms
13110 Cathodic Protection
13120 Pre-Engineered Structures
13280 Hazardous Material Remediation
13850 Detection & Alarm
13900 Fire Suppression

Division 14 - Conveying Systems
14200 Elevators
14300 Escalators & Moving Walks
14400 Lifts
14500 Material Handling
14600 Hoists & Cranes
14800 Scaffolding
14810 Suspending Scaffolding
14830 Telescoping Platforms

Division 15 - Mechanical
15000 Mechanical
15050 Basic Mechanical Materials/Methods
15100 Building Services Piping
15120 Piping Specialties
15130 Pumps
15180 Heating & Cooling Piping
15200 Process Piping
15300 Fire Protection Piping
15400 Plumbing Fixtures & Equipment
15500 Heat Generation Equipment
15700 Heating, Ventilating & Air Conditioning Equipment
15800 Air Distribution
15900 HVAC Instrumentation & Controls
15950 Testing, Adjusting & Balancing

Division 16 - Electrical
16000 Electrical
16050 Basic Electrical Materials/Methods
16100 Wiring Methods
16200 Electrical Power
16300 Transmission & Distribution
16320 High Voltage Switching & Protection
16400 Low Voltage Distribution
16500 Lighting
16700 Communications
16710 Local Area Network
16720 Telephone Equipment
16800 Sound & Video

Key Events

Women Rock!

Rain couldn't stop us. The 2026 WomenRock event showed up strong, and the energy in the room did not disappoint. Huge thank you to our sponsors, contractors, developers, professional service partners, and every single attendee who made the night unforgettable. From reconnecting with longtime colleagues to building new relationships, this is what our industry is all about. (See more photos, next page.)

Understanding Certification Codes

There are a number of certifying agencies throughout the nation and it's important to understand each one in order to properly comply with contracts. Many agencies accept certifications from other organizations or agencies, but verification is necessary. Here's a brief synopsis:

Designations:

WBE or FBE = Women's Business Enterprise / Female Business Enterprise
WOSB = Federal designation for Woman-Owned Small Business
MBE = Minority Business Enterprise
DBE = Disadvantaged Business Enterprise (this indicates a federally funded project designation)
SBA 8(a) = Federal designation for Small Disadvantaged Business
VBE/VOSB = Veteran-Owned Business Enterprise
SDVBE = Service-Disabled Veteran-Owned Business Enterprise
PBE = Persons with Disabilities Business Enterprise

Certifying Entities:

- State of Illinois
  - Central Management Services (CMS/BEP)
  - Capital Development Board (CDB)
  - Illinois Dept. of Transportation (IDOT)
- City of Chicago*
- Cook County*
- MWRDGC – Certification for Metropolitan Water Reclamation District of Greater Chicago is exclusive.
- IL UCP – This is a federal program administered by the local transportation agencies (IDOT, Metra, Pace, CTA and CDOT). Certification within this program qualifies contractors to work on projects administered by all of the listed agencies.
- WBENC/WBDC – A national privately administered certification for women-owned businesses. Acceptance of this certification on public projects needs to be verified.
- CMSDC/CMBDC – A national privately administered certification for minority-owned businesses. Acceptance of this certification on public projects needs to be verified.

** The City of Chicago and Cook County have reciprocal certification. If you are certified through one, you are automatically certified through the other.*
