

Letter from the President: Curtis Koleber

Dear GTA Members,

Over the last few weeks, we have witnessed several of our board and executive team advance into new careers. This illustrates the positive influence working within GTA can have on one's professional career. On behalf of all of our current GTA membership, we wish future success and give a BIG thank you for all the support you provided GTA during your many years of service.

To continue the mission of GTA, board positions were filled in accordance with the by-laws, and the new board for the remaining term will be:

President: Curtis Koleber, Chatham Area Transit
Vice President: Don Masisak, Coastal Regional Commission
Secretary: Jarrod McCarthy, River Valley Regional Commission
Treasurer: Justin Rison, Transitions Commute Solutions, LLC

On behalf of myself and the entire executive team, we look forward to continuing the great work that GTA has accomplished thus far for transit in our state. Our plan is only to continue the positive work and legacy achieved with the talent base of our members. Please do not hesitate to contact me with your suggestions or ideas to improve GTA for our stakeholders. Lastly, as we begin to gear up for our GTA conference in Jekyll Island on December 5th – 7th, I challenge all members to seek a greater role in our organization, both for personal development and to ensure continued organizational success.

Sincerely,

Curtis Koleber
GTA, President
