

Are you a member of GAWP and not getting our emails???

In order to avoid emails being blocked or quarantined from GAWP or the GAWP Website please add our email domain and sending mail server IP addresses to your Safe Senders List/Whitelists/Allowed List in your email filters.

You may need to provide this information to your IT Administrator(s) as well.

Our email domain: gawp.org

Our primary sending server: safemail.safenbox.com

Our sending email IP addresses that should be added:

199.16.178.144

35.168.191.162

52.206.183.123

34.229.26.136

24.73.102.0/23

If you need assistance please let us know and we can put you in touch with our IT Administrators and they can help guide you in the right direction.
