

NOVEMBER 2021

## **FREE CEU WEBINARS FOR CAMPUS MENTAL HEALTH PROFESSIONALS**

Christie Campus Health, a GICA CAP company, is hosting a quarterly webinar series, offering professional development opportunities for mental health clinicians with continuing education credit. One-hour seminars will be offered with the opportunity to earn **1 CE credit for each webinar, at no cost** to participants. The webinars will be delivered by national speakers and experts in college mental health and wellness on topics that we have collected from partners who provide mental health and wellness services to students.

The first webinar in the series is November 9, 2021, from 12pm -1pm EST. The topic is 'Mental Health of Students of Color: Identifying Stressors, Strengths, and Supportive Strategies.' The webinar will be provided by Dr. Caitlin Nevins, Director of Psychological Services at the McLean Hospital College Mental Health Program in Belmont, Massachusetts.

- You can register for the webinar [here](#)
- Every participant will need to register with their school email address so they can receive a unique link and complete the process to access their continuing education credit after the webinar.
- The webinar has been approved for credit for: psychologists, certified counselors, social workers and licensed mental health counselors in most states. Please visit the registration link for more information about the CE process and to explore whether you may be able to earn CEs for a different licensure. These webinars do not qualify for the CME/medical education credit.

Please forward this information to your campus counselors. Contact [Lisa Macke](#) if you have any questions.

## **MICROSOFT PROFESSIONAL DEVELOPMENT SERIES: FREE POWER BI TRAINING**

GICA, in partnership with Microsoft and ScholarBuys, will be continuing our Professional Development Series with three presentations focused on Microsoft's Power Platform solutions in education this winter. This data platform provides quick and easy data insights, automated processes, app building, and virtual agent capabilities built on the Common Data Service platform. Click [here](#) to register.

**Power BI Training: Wednesday, November 17th at 10:00 am EST**

- Power BI lets you easily unify data from many sources to create interactive, immersive dashboards and reports that provide actionable insights and drive business results. This course will provide an overview Power BI and how its services and applications work together.

### **Power Automate Training: Wednesday, December 1st at 10:00 am EST**

- Automate streamlines repetitive tasks and processes so you can focus your attention where it's needed most. In this course, learn the basics of Power Automate and start creating flows from templates or from scratch.

### **Power Apps Training: Wednesday, December 8th at 10:00 am EST**

- Power Apps increases agility across your organization by helping you rapidly build low code apps that modernize processes and solve tough challenges. Get started by taking a tour of Power Apps and creating your first app.

These trainings are delivered through Microsoft Teams which will allow participants to interact directly with the facilitator, ask questions, and collaborate with other attendees. Please feel free to forward this information to other members of campus who would benefit from the training, and contact [Lisa Macke](#) if you have any questions.

## **NEW PREVENT SUICIDE GA WEBSITE LAUNCHED**

**[The Georgia Department of Behavioral Health & Developmental Disabilities](#)** is pleased to announce the launch of [Prevent Suicide GA](#), a new website designed to promote awareness, provide information, and offer resources for the prevention of suicide in Georgia. The site includes an overview of the [initiatives](#) of the Suicide Prevention Program in the Office of Behavioral Health Prevention & Federal Grants. GICA is a part of this program. It also features upcoming suicide prevention [events](#) in Georgia and [prevention materials](#), published by the Suicide Prevention Program. Visitors will find helpful information [about suicide](#) and ways communities work together to [prevent](#) it. For those seeking behavioral health services or crisis support, the site also includes a [Find Help](#) page to make accessing support easier. If you have any questions, please contact Lisa Macke (link to: [lmacke@georgiacolleges.org](mailto:lmacke@georgiacolleges.org)).

## **GICA CCP CONSULTANT - SPEAKER AT UPCOMING EVENT**

Judy Spain, GICA CCP Compliance Collaborative Program Consultant will be presenting a member-exclusive webinar on December 2, 2021, for the Society for Corporate Compliance and Ethics – "Risk Assessment: Foundation for

Building an Effective Ethics & Compliance Program". SCCE is a member-based association with 6,000+ compliance and ethics members worldwide. Judy's presentation focuses on building an assessment process upon which an entity's compliance program operates. This presentation mirrors the content provided in the CCP Compliance Initiative five-part webinar series being conducted this fall 2021.

## **DIVERSITY, EQUITY, AND INCLUSION SERIES: LOGISTICS OF DIVERSITY, INCLUSION, AND EQUITY**

GICA is hosting a Diversity, Inclusion, and Equity Series created exclusively for Compliance Collaborative members. This third webinar in the series focuses on the logistics of Diversity, Inclusion, and Equity and will be on Tuesday, November 2 from 1:30 to 2:30 pm. This webinar asks the question - you want to do more with diversity, equity, and inclusion at your institution but not sure where to start, or you've started DEI work and don't know what to do next? There isn't a straight line from point A to point B in DEI work that is the same for all institutions, but there are components that should be included in the process. Join our speaker as she shares practical guidance for diversity and inclusion strategies that pave the way for equitable processes and practices.

Presenter is Tonya Parker, Chief Diversity Officer & Assistant Dean, Title IX Coordinator, Wesleyan College.

Registration deadline is Monday, November 1. For more information and to register, click [here](#).

## **REVISED TITLE IX HEARING PANEL MEMBER TRAINING**

GICA is hosting in-person trainings created exclusively for Compliance Collaborative members. Join your colleagues for an in-depth training designed to provide Hearing Panel Members, Appeal Officers, Advisors, Title IX Coordinators, Deputy Coordinators, Investigators, HR personnel, and anyone associated with administering Title IX with an up-to-date understanding of current compliance requirements for the live hearing using a scenario-based training.

This training will utilize newly developed training videos detailing an interesting fact pattern. Attendees will watch the hearing panel videos; discuss the burden of proof to be established; make rulings on evidentiary matters; and develop strategies to control unruly participants. The training will conclude with the participants arriving at a written decision based on the facts.

If you attended the Title IX Investigator Training, this webinar will not be a repeat of what was discussed in that training. These are different videos;

however, the fact pattern is the same with a few twists.

Presenter is Judy Spain, J.D., CCEP, GICA Compliance Collaborative Consultant.

Attendees only register at one location/date. All trainings are open to any GICA CCP member. POST certification credit is available.

Please note that the schedule below has been modified.

Registration closes two days before each training.

## **FREE WEBINARS FROM THE PARTNERSHIP FOR INCLUSIVE INNOVATION**

The Partnership for Inclusive Innovation's (PIN) mission is to advance established and emerging innovators for a stronger Georgia. A goal is to make Georgia the East Coast Tech Capital. Their work is in three areas: Economic Opportunity, Student Engagement and Community Research. PIN believes new ideas come from anywhere and everywhere but that the opportunity to innovate has not been sheared equally. By democratizing access to funding and support networks through resources across business, research universities and government, the Partnership advances all Georgians by supporting those with vision.
