

Visitors to Campus

Wesleyan College has a long history of warmly welcoming visitors to our campus. We continue to want to offer visitors the use of our facilities, but in the age of COVID-19 we have added a few additional requirements for those who come to our campus. These requirements could change at any time, and therefore it is important that visitors check our web page for up to date information.

While on Wesleyan's Campus Visitors must:

1. **Keep 6 feet of distance between themselves and others (unless you have come to campus with someone you live with.)** Wesleyan College has adopted until further notice, a 6-foot social distancing standard. All visitors must maintain 6 feet of distance between people while on campus.
2. **Wear a face covering in public spaces at all times.**
3. **Do not enter a room that has exceeded its Covid Capacity.** Each room has been given a new capacity limit, based on social distancing guidelines. Room capacities will be strictly adhered to. If the room capacity has exceeded, you will not be allowed in the room.
4. **Do not come to campus if you are ill.** In keeping with our Protect the Pack Pledge DO NOT come to campus if you have any symptoms of illness.
