

2023 GICA Information Technology Annual Meeting September 27, 2023 Brenau University

AGENDA

9:00 a.m. – 9:30 a.m. **Welcome and GICA Update**
Lisa Macke, Vice President, GICA

9:30 a.m. – 10:30 a.m. **Security Topics Discussion**
Chip Andrews, Brenau University

This session will focus on exchanging information about three primary topics, which include moving wireless networks to PPSK (private pre-shared keys) authentication, best practices, tips and tricks in use of multi-factor authentication for all students, faculty, and staff, and ransomware defense strategies.

10:30 am – 10:45 a.m. **Break**

10:45 a.m. – 11:45 a.m. **Progress Toward NIST 800-171 Compliance**
Speaker TBA, Lockstep Education

Where is your institution in moving toward compliance with NIST 800-171? The revised draft guidelines, *Protecting Controlled Unclassified Information in Nonfederal Systems and Organizations* are of particular interest to the many institutions that contract with the federal government. The latest revision and its requirements will be discussed.

11:45 a.m. – 12:45 p.m. **Lunch**

12:45 p.m. – 1:30 p.m. **Budget Topics Discussion**
Facilitator TBA, from a GICA Institution

Budget-related topics are at the top of everyone's minds. Among other things, this session will feature how much institutions present spend on software, services, and salaries as a percentage of overall budget, ideas about keeping budgets under control, and budgeting and finding a quality skillset above Level 2 tech, engineering level for systems and network.

1:30 p.m. – 1:45 pm.	Break
-----------------------------	--------------

1:45 p.m. – 2:30 p.m.	Roundtable Discussion
------------------------------	------------------------------

Topics of interest to those present will be discussed, including but not limited to FSA requirements for data breach reporting and the recent data breach at the National Student Clearinghouse

GICA gratefully thanks our generous meeting sponsors:
