Log-In Instructions

If you're having trouble signing in to the site, retrieving your username and password is an easy automated process. The only important thing to know is that the **password reset e-mail will be sent to the e-mail address that's in your member profile on our website**. If you don't have access to that mailbox, then you won't be able to perform a password reset. You'll need to contact us and have an administrator manually reconfigure your account.

Step 1 - Reset Your Password Link

When you click on the **Sign In** link on our website, or if you reach a **members-only page**, you'll be redirected to the **Member Login** dialogue box below.

1. Click on the **Forgot Your Password?/Click her to reset your password** link circled below in **blue**.

MEMBER LOGIN

Welcome to the [online community](#). Because of the built-in security features, you must first register and be approved before accessing many site sections. If you are not a member of the site yet, please register - we'd love you to be part of our online community..

Step 2- Enter Your Username or Email

1. You'll be taken to the Forgot your Username or Password? page below
2. Enter either your **Username** or **Email** in the dialogue box circled in **blue**.
3. Answer the math question below circled in **maroon**.
4. Then press Reset Password circled in **green**.

FORGOT YOUR USERNAME OR PASSWORD?

Please type your username or email address below and click "Reset Password." You must provide the email address or username associated with your member profile. Once submitted, an email will be sent to the email address on file and will include a link back to the site to reset your password.

Reset Password **Cancel**

Upon submitting a valid username or email address, an email will be sent to the address associated with your profile. The email will contain a link back to our website which will allow you to reset your password.

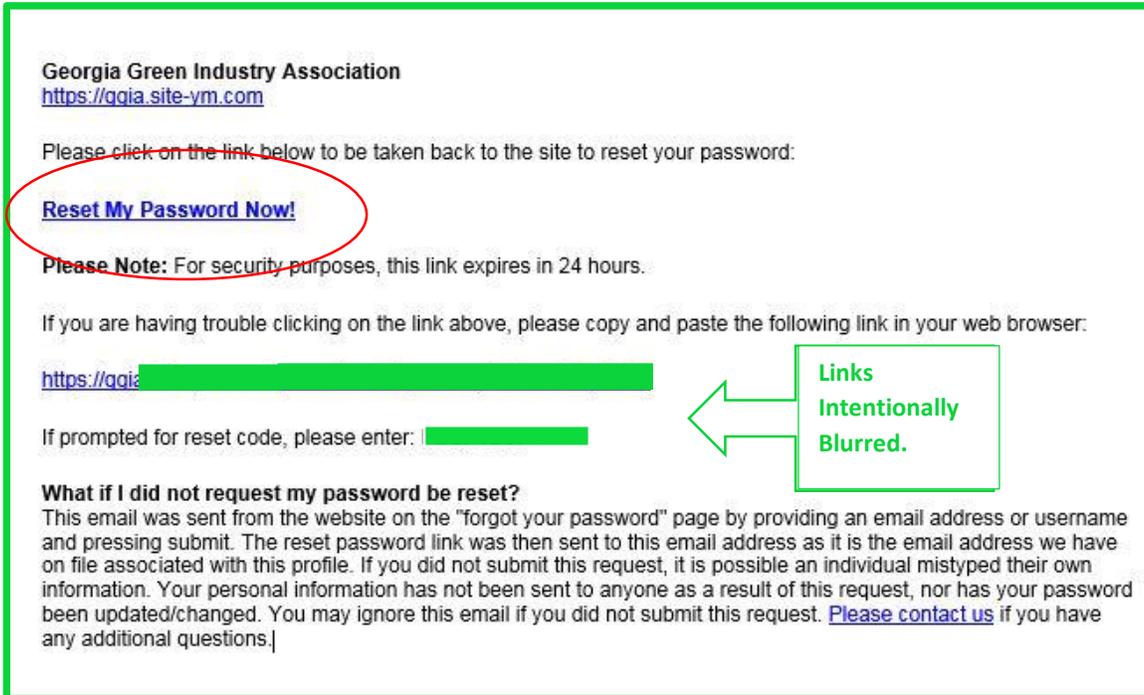

You may need to check your email program's SPAM filter as this "Reset Password" email may be treated as SPAM.

Please Note: Password reset email links expire after 24 hours.

You may need to check your spam inbox. Password email link will expire after 24 hours

Step 3 - Reset E-mail

1. You'll then receive an automated e-mail from GGIA. Check your junk or spam folder if you don't see the e-mail.
2. Open the e-mail and click on the link **Reset My Password Now!** circled below in **red**
3. You'll then be redirected to the GGIA website password reset screen

What if I did not request my password be reset?
This email was sent from the website on the "forgot your password" page by providing an email address or username and pressing submit. The reset password link was then sent to this email address as it is the email address we have on file associated with this profile. If you did not submit this request, it is possible an individual mistyped their own information. Your personal information has not been sent to anyone as a result of this request, nor has your password been updated/changed. You may ignore this email if you did not submit this request. [Please contact us](#) if you have any additional questions.]
