Per the rules and regulations included in the GRPA Athletic Manual, any agency wishing to participate in the state track or swim meet is required to attend one of the orientation webinars. While it is mandatory for a staff person to attend, it is also strongly recommended that your team’s coach also attend a webinar/meeting to ensure that all necessary parties are clear on any rule changes or clarifications.

The following includes all of the scheduled webinars / meetings: Updated 2/28/2023

### GUIDELINES FOR WEBINARS

1. Mute your phones. Ask questions at the end of the presentation or use the Chat Feature.
2. In order to get credit, you must stay on the webinar for 45 minutes minimum and GoToMeetings must be at the front of your computer screen or else the report collected at the conclusion of the presentation will show that you were not present for any time when GTM is behind other items (email, etc.).
3. If you call on your phone and log in to your computer and then exit from one device, GTM will show that you are not present. You must stay logged in to both devices.
4. Webinar registration info to be distributed by Districts.
