BEST PRACTICES DURING COVID-19: PHARMACY SAFETY AND ACCESS

Join us for this online Quality Institute Event, where you will learn about Pharmacy Safety and Access Best Practices during COVID-19. We are honored to have Brian Oliveira, PharmD, Executive Director of the Garden State Pharmacy Owners, as the expert for this webinar.

By participating in this webinar, you will learn to:

- Identify and discuss steps taken at the community pharmacy level to mitigate COVID-19 transmission risk
- Recognize and relay the importance of educating healthcare workers and patients alike
- Outline and discuss long-term impact to community healthcare and medication access. [Register here](#)

All Quality Institute members, as well as members of the public, are encouraged to attend.
