EDUCATION

FORKLIFT OPERATOR

Jun 2013 - Oct 2013 | Khols Warehouse

I was responsible to pick, replenish, load trucks, sort, and pack

FORKLIFT OPERATOR

Jul 2014 - Oct 2014 | Pier 1 Imports

I was responsible for picking products that's needed for a store and stage it so it can be loaded into the trucks.

UNLOADER

Jan 2015 - Apr 2016 | Zenith

My responsibility was to unload all the trucks that came in that day, until the job was finished.

FORKLIFT OPERATOR

Jul 2016 - Nov 2016 | Koty

My responsibility was to load up Fedex and UPS trucks. Once that was finished, I had to put away some of the products that were out on the dock.

FORKLIFT OPERATOR

Feb 2017 - Mar 2018 | Beacon Staffing

I went where they needed me. Sometimes I'll have to pick and pack then other times I'll have to do forklift work.

FORKLIFT OPERATOR

May 2018 - Oct 2022 | Khols Warehouse

My responsibilities were to put away boxes that were coming from shipping. Also, I had to pick box products and stage them in the shipping department.

FORKLIFT OPERATOR/MAINTENANCE

Feb 2022 - Mar 2024 | Rite Aid Warehouse

On the forklift I had to pick stores and stage them in the correct locations. I had to

use a reach truck to get pallets down from the racks so i can put them into the pick mods.

When in maintenance I was responsible for changing the batteries. When that was finish I had to clean the area; clean the batteries, clean where I got it from, water the batteries, and screw in any lose screws.
