

Caleb Kindagaire

Edgewood, MD | +1(667) 494-9618 | C.kkinda06@gmail.com

Professional Summary

My name is Caleb, and I am seeking to build a long-term career in the HVAC and refrigeration trade. I recently completed a pre-apprenticeship training program and earned my EPA 608 certification, and I am eager to continue learning under experienced professionals in the field. HVAC has become a strong interest of mine, and I am motivated to grow my skills through hands-on work, reliability, and continuous learning.
