Work Experience

Warehouse selector/ Trainer

Gordon Food Service-Baltimore, MD

February 2020 to January 2026

As a Warehouse Selector and Trainer at Gordon Food Service, I was responsible for accurately selecting, stacking, and preparing customer orders for shipment in a fast-paced warehouse environment. In addition to my primary role, I also served as a trainer, mentoring new team members and ensuring they understood operational procedures, safety standards, and performance expectations. I consistently met productivity and accuracy goals while promoting a culture of teamwork, efficiency, and accountability. My attention to detail and leadership contributed to smoother onboarding processes and overall warehouse performance
