Summary of qualifications

Hardworking and motivated recent high school graduate who is driven in pursuing a career in HVAC. Over four years of experience in customer service and fast paced work environments, including restaurant and grocery store jobs. A quick learner who adapts well to new environments, works effectively both independently and as part of a team, and pays close attention to detail. Known for being kind, dependable, and always willing to help others, with strong problem solving skills and a commitment to completing tasks efficiently. Eager to develop hands on technical skills, gain experience, and build a successful career as an HVAC technician.
