OBJECTIVE

Hardworking and motivated recent high school graduate seeking an opportunity with an HVAC contractor to begin a career in heating, ventilation, and air conditioning. I am starting the four-year HVAC program at Harford Community College and am seeking a contractor where I can complete the required 8,000 hours of on-the-job training. I am dependable, teachable, a fast learner, and comfortable working as part of a team.

EDUCATION

Joppatowne High School — Joppatowne, MD
High School Diploma, May 2026

Harford Community College
HVAC Apprenticeship Program — Beginning 2026
Four-year program

- Seeking an HVAC contractor to complete the required 8,000 hours of on-the-job training.
- Developing skills and knowledge related to heating, air conditioning, ventilation, tools, equipment, and HVAC safety.

WORK EXPERIENCE
