

# KARTER KIMMEL

## SKILLS

**Communication, labor, math, strength, human resources, problem solving, team work, critical thinking, work ethic, and professionalism.**

## ABOUT ME

**My name is Karter Kimmel, I'm 18 and I'm looking for an entry level position into HVAC as a helper or apprentice to build a career for my future. Long term goals include developing skills to move into controls and building management systems. Willing to get any certifications as needed.**

### **Floater/sub | Good Shepard children center | July 2024-current**

I watched the children, fed the children, cleaned the classroom, help them pack up and communicated with their parents.
