OLA PONO IKE Was a Great Success!

The 27th Annual Ola Pono Ike Gala Dinner was a night of great joy, sharing, and camaraderie. More than 480+ physicians, residents, students, family and friends gathered to celebrate the amazing work being done by Hawai'i's physicians each and every day. Governor Josh Green, MD, joined us to install our officers, and to help recognize two individuals who have made lasting contributions to the health and wellbeing of Hawai'i's citizens:

Kore Kai Liow, MD
Physician of the Year

Benjamin Young, MD
Lifetime Achievement

We're grateful for the sponsors and guests who attended Ola Pono Ike 2026. We're also thankful for our amazing committee members, staff, and volunteers who work tirelessly behind the scenes to make this event possible.
