| Friday July 7 | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/07/2017 | 8:30 am | 12:00 pm | Innovative Methods For Evaluating Access To Medicine Programs In LMICs | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/07/2017 | 1:30 pm | 5:00 pm | The Affordable Care Act Post-Implementation And Future: Tense | | | | Capacity Development In Applied Vaccine Economics | | | | | | | | | | | | | | | | | | | | | | | |
| Saturday July 8 | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/08/2017 | 8:30 am | 12:00 pm | Teaching Health Economics | | | | Capacity Development In Applied Vaccine Economics | Behavioral Economics And Physician Behavior | | | | | Behavioral Economics And Physician Behavior | | Frontiers Of Health Economics Research In Latin America | | | | | | | | | | | | | | | |
| 07/08/2017 | 1:30 pm | 5:00 pm | Teaching Health Economics | | | | Capacity Development In Applied Vaccine Economics | Behavioral Economics And Physician Behavior | | | | | Behavioral Economics And Physician Behavior | | Frontiers Of Health Economics Research In Latin America | | | | | | | | | | | | | | | |
| 8:30-9:30 pm Opening plenary (Agenda Annex) | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| Sunday July 9 | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/09/2017 | 8:00 am | 9:30 am | Implications Of Expanding Access To Mental Health Care | How Healthcare Markets Impact Quality Of Care | Efficiency And Equity 1 | Disparities In Health And Health Care | Utilization Effects Of Equipments And User Fees | Health Care Access And Inequalities | Prescription Drugs Cost-Effectiveness And Use | Health Benefits Package Design Principles, Practice And Experience | Stylized Facts Or Positional Objectives? Databasing Key Aspects Of The Health Financing Transition | Health Technology Assessment's Difficult Balance Between Design For Additional Data Or Informing Adoption And Patient Access | Distributional Aspects Of Health Policy 1 | Policy Evaluation 1 | Treatment Choices And Guidelines | Hospital Utilization | Economics Of Child And Adolescent Health | State Level Policies And Prescription Drug Abuse | Economic And Health Care Impacts Of Pharmacotherapy For Opioid Use Disorders | Cost Of Illness 1 | Health Expenditures 1 | Return On Investment | Methods In Evaluation 2 | Economic And Policy Implications In High-Income Countries Aimed At Controlling Expenditures | Quasi-Experimental Evaluations Of US State Health Policies And Child Health Outcomes | Quasi-Experimental Evaluations Of US State Health Policies And Child Health Outcomes | Quasi-Experimental Evaluations Of US State Health Policies And Child Health Outcomes | Quasi-Experimental Evaluations Of US State Health Policies And Child Health Outcomes | Quasi-Experimental Evaluations Of US State Health Policies And Child Health Outcomes | |
| 07/09/2017 | 10:00 am | 11:30 am | Value Based Purchasing: Comparing International Experiences | Big Data And Health Economics 1 | Quality Of Life 2 | Disparities In Access To Health Capital | Utilization Effects Of Equipments And Databases | Health Care Access | Opioids, Prescription Drug And Vaccines | Careers | Cost Of Illness 2 | Care Studies In Non-Communicable Disease Control And Economic Evaluation | US Health Policy | CEA And Pregnancy Outcomes | Health And Labor Economics | Methods In Statistics And Econometrics | Early And Late Life Health | Family Health Production: Responses To Economic And Health Shocks | Efficiency 1 | Hospital Cost | Health Expenditures 2 | Economics Of Non-Communicable Disease (NCD) | Implementation Challenges In Integration Of Care In China, Croatia, Poland And Singapore | Efficiency And Equity Of Cancer Screening And Treatment: An International Perspective | Public Policy And Health Behaviors | Utility-Theoretic Economic Versus Health Economics In Health Technology Assessment Using Value Frameworks | Cost Effectiveness Analysis (CEA/CEA) | Achieving Universal Health Coverage In Developing Countries: The Role And Cost Of Community Health Services | | |
| 11:30-11:45 Travel | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/09/2017 | 11:45 am | 1:15 pm | Cost Per DALY Threshold: And Health Opportunity Cost Informing Choice In Global Health | Mixed Public-Private Health Systems | Efficiency And Equity 2 | Determinants Of Physical Activity And Weight | Ageing And Health Services Use | Healthcare Access | Marijuana Use And Marijuana Policy | Physician Reviews, Care Coordination, And Physician Networks | Getting Policies For Universal Health Coverage Off The Ground: The Case Of Health Insurance In Four Countries | What Do Policy-Makers Want To Know? Lessons Learned On The Use Of Economic Evaluation Evidence For Priority-Setting And Programming In Low And Middle-Income Countries | Distributional Aspects Of Health Policy 2 | Ageing | Topics In Health Care Supply 4 | Healthcare Provider Behavior | Prevention And Insurance | Risky Health Behaviors | Healthy China 2030 | Introducing A Reference Case For Costing Global Health Interventions | Health Expenditures 3 | Financing, Vulnerability And Coping | Methods In Evaluation 3 | Improving Health System Efficiency In Practice: The Link Between Evidence And Policy Formulation | Causal Effects Of Care, Caregiving, And Special Health Shocks | Estimating Health Opportunity Costs: Relevance To Health Care Decision-Making And Approaches To Estimation | Improving Outcomes | Getting More Health Out Of Resource Tracking For Health | | |
| 07/09/2017 | 2:45 pm | 4:15 pm | Imperfect Competition In Health Care Markets: Theory And Experiments | Experiments In Health Economics | HIV | Schooling And Health | Treatment And Utilization Decision | Innovation And Medical Technology | Health Shocks And The Labor Market | Ageing A Service Use | Health Care Use | Incorporating Demand-And Supply-Side Constraints In Economic Evaluations Of New Technologies: Lessons For Scale-Up | Distributional Aspects Of Health Policy 3 | Cost Effectiveness Analysis (Mental Health) | Reviewing The Literature | Hospital Ownership | Public Health And The Labor Market | Opioid Prescribing In Medicine And Medicaid | Wellbeing As An Outcome Measure In Policy Evaluation: Evidence From UK, South Africa And Mexico | Demand | Government Financing 1 | Cost Of Immunization And Maternal And Child Health | Health Insurance | Health System Priorities And Reform | Starting Cognitive Development, And Educational And Health Outcomes: Interrelated And Understood Consequences Of Policies | Health Sector Corruption: Studies On Measurement, Policy And Strategy | Value-Based Assessments | US Health Reform Through The Medicaid Program | | |
| 11:45-12:45 Refreshment break | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/09/2017 | 4:45 pm | 6:15 pm | Social Experiments On Financing And Payment Options | Policy And Social Effects On Health Behavior And Health Formation | Infectious Disease | Impact Of Policies On Hospitals And Nursing Homes | Screening And Preventive Care Utilization | Infant, Child And Adolescent Healthcare | Long-Term Consequences Of Unequal Distribution Of Health And Socio | Modelling Methods | Health Outcomes Evaluation | Disease Burden | Impact And Evaluation Of Health Policy 1 | Cost Effectiveness Analysis (Oncology 1) | Healthcare Use Of Services | Hospital Quality And Outcomes | Health Insurance, Labor Markets, And Health | Evaluation Child Health | Beyond Health Benefits: Estimating The Health And Non-Health Benefits Of Vaccination | Methods In Evaluation 3 | Quality Of Life 1 | Pharmaceutical Markets | Immigration, Health And Policy | Event Analysis | Global Priorities For Clinical Practice Guidelines And Health Policy: Implications Of Economic Evidence, Big Data And Personalized Medicine | Pharmaceuticals And Medical Products: International Trends And Implications Of Government Policies | Efficiency 2 | | | |
| 11:45-12:45 Refreshment break | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| Monday July 10 | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/10/2017 | 8:00 am | 9:30 am | Health Production Behavioral And Experimental Research | Prevention And Access To Care | Impact And Evaluation Of Health Policy 2 | Insurance And Financing | Health Production: Social And Policy Determinants | Economics Of Health Health | Evaluation Of Innovative Programs 1 | Care Delivery Settings | Population Economics | Methods In The Evaluation Of Interventions | Health In Specific Populations | Distributional Aspects Of Health Policy 4 | Topics In Health Care Supply 6 | Topics In Health Care Supply 7 | Efficiency 3 | Health Production: Policy Evaluation | Health Production: Public Health And Prevention | Health Insurance & Health Spending | Healthcare Markets 6 | Health Care Financing | Equity In Financing & Access 1 | Children, Adolescents, And Young Adults | U.S. Policy | Economic Evaluation A | Economic Evaluation B | Long Term Care, Informal Care, Costs | | |
| 9:30-10:00 Refreshment break | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/10/2017 | 10:00 am | 11:30 am | Value Frameworks: Current Initiatives And Future Directions | Waiting Times For Healthcare II | Medical/ Medicare | Incentives And Patient Behavior | Evaluation Of Innovative Programs 2 | Health And Employment | Health Behaviors: Theory & Experiments | Inequalities | Policy Evaluation 2 | The Economics And Regulation Of New Tobacco Products: Cigarettes And Flavored Cigarettes | Risk Adjustment | Payment Mechanisms 1 | Evaluation Aged | Regulation And Wage Differences On The Supply Of Health Providers | Health Across The Life Course | Economics Of Chronic Disease: Inequalities, Neoliberalism, And Precision Medicine | Mental Health Over The Life-Cycle: Theory, Data And Measurement | Government Financing 2 | Organizational Structure | Health Care Workforce | Cost And Expenditures | Demand And Utilization Of Health Services Among Those With Chronic Conditions: I | Changes In The Biopharmaceutical Market | How You Measure Matters: Monitoring Practice Guidelines And Health Policy: Implications Of Economic Evidence, Big Data And Personalized Medicine | Provider Payment And Accountable Care For Behavioral Health | Global Estimates Of Financial Protection For Health: Getting Beyond The Numbers To The Narratives | | |
| 07/10/2017 | 11:45 am | 1:15 pm | Student Price Wiping | Waiting Times For Healthcare I | DCI And Economic Evaluation | Incentives And Provider Behavior | Stated Preferences For Preventing HIV And Other Sexually-Transmitted Infections In High-And Low-Income Countries | Hospital Care | Health Shocks And Health To Labor | Innovation In Primary Care | Topics In Health Care Supply 1 | Treatment Effects | Wellbeing & Ageing | Economics Of Smoking And Vaping | Economics Of Smoking And Vaping | Understanding Hospital Quality And Prices: The Role Of Competition, Ownership, And Physician Networks | Health Expenditures And Economy | Community Health Programs | Economics Of Health Behaviors: Policy And Special Populations | Performance | Physician Competition | Health Insurance In Mixed Public-Private Systems | Impact | Evaluation Of Changes In Financing And Delivery Of Care | State Level Policies And Infant And Child Health | Transforming Health Systems Financing: Making Sure The Floor Are Not Left Behind | Health Plan Payment In Regulated Competition Health Insurance Markets | Pricing And Population Health In The US Medicare Program | | |
| 11:45-12:45 Refreshment break | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/10/2017 | 2:45 pm | 4:15 pm | Recommendations Of The Second Panel Of Cost-Effectiveness In Health And Medicine | Demand And Utilization Of Health Services Among Those With Chronic Conditions 2 | Pricing | Influences On Morbidity And Health | Prescription Drugs | Nursing Home And Long Term Care | Family Planning And Sexual Behaviors | Evaluation Of Innovative Programs 3 | Malnutrition | Narrow Provider Networks In Public And Private Health Insurance Exchanges | High/ Catastrophic Health Cost | Innovation, Physician Behavior, And Time Allocation | Topics In Health Care Supply 2 | Immigration And Health | Main Policies' Impacts On Tobacco, Marijuana, And Alcohol Use | Health Care Financing 1 | Hospital Markets II | Market Design In Health Insurance | Topics In Health Care Supply 5 | Economics Of Cognitive Decline And Dementia (ECC) | Organizational Perspectives On Personalized Medicine | Innovative Modeling Approaches To Assess Health Economic And Budgetary Impacts Of Selected Public Health Policies | Performance Based Financing In African Public Health Systems: Exploring The Causal Pathways | Fiscal Space For Health: New Evidence On Drivers And Measurement | | | | |
| 4:15-4:45 Refreshment break | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/10/2017 | 4:45 pm | 6:15 pm | Cost Effectiveness Thresholds: Where Are We Now? | Big Data And Health Economics 2 | Issues In Public Decision Making | Economics Of Traffic Safety | Payer And Provider Interaction In Health Care Markets | Medication Use And Adherence | Economic Issues In Tobacco Cessation And Control | Experiences And Innovations In Integrated Chronic Care Access Europe - The SELFIE Project | Critical Issues And Dimensions To Be Considered In Economic Evaluation Of Immunization Programs | Future Directions For Economic Evaluation And Value For Money Assessment In Low-And Middle-Income Countries - Perspectives From Academia, Development Practice And Policy | Evaluation Of Health Interventions | Topics In Cost-Effectiveness Analysis | Healthcare Spending | Provider Behavioral Responses To Institutional And Market Incentives | Physician Behavior | Migration, Health And Health Systems: Frameworks And Data Needs To Impact Policy | Economics Of Vaccine-Preventable Diseases | Health Care Financing 2 | Healthcare Markets I | Regulating Healthcare Markets | Equity In Financing & Access 2 | Economic Evaluation Methods | The Medical Care Costs Of Childhood Obesity | Financial Incentives In Health: Results From Impact Evaluation Studies Of Performance Based Financing And A Broad Reflection Using A Meta-Analysis Framework | Rethinking Health System Efficiency | Communicable Disease Outbreaks: Economic And Tuberculosis: The Costs Of International Travelers Compared To U.S. Prevalence And Response Activities | | |
| 11:45-12:45 Refreshment break | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| Tuesday July 11 | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/11/2017 | 8:00 am | 9:30 am | Environmental Exposure And Infant Health | Child Development In Less Developed Countries | Valuing Outcomes | Health Care And Health Outcomes | Hospital Utilization: Reducing Variation For Improving Allocation Efficiency | Insurance | Fertility Differences And Consequences | Principles, Methods, And Standards For Benefit-Cost Analysis | Re-Tooling Cost-Effectiveness Analysis For Global Health: Toward A Science Of Comparative Strategy Evaluation | Health Determinants | Cost Effectiveness Analysis (Diabetes) | Cost Effectiveness Analysis (Oncology 3) | Equity And Policy Changes | Impact And Evaluation Of Health Policy 5 | Purchasing | Evaluation Of Supply-And Demand-Side Policies For Improving Efficiency And Equity Of The Chinese Health Care System | Economics Of Healthy Aging: Evidence From Japan And Korea | Social Health Insurance | Health Care Markets 3 | Vertical Integration In The Health Care Sector | Hospital And Physician Payment | Demand And Utilization Of Prescription Opioids | Do, And How Do, Soda Taxes Work? | Setting Priorities For Universal Health Care In Low And Middle Income Countries: Findings From The Disease Control Priorities Project | Hospitals And Care Spending | Medical Expenditure And Normative Opportunity Costs Of Selected Diseases And Conditions In The United States | | |
| 9:30-10:00 Refreshment break | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 07/11/2017 | 10:00 am | 11:30 am | Beyond Cases And Consequences: How Can Economics Help Tackle Childhood Obesity? | Access To Medicines In Less Developed Countries | Payment Mechanisms 2 | Economic Issues In Soda And Food Taxes | Effects Of Increasing Vaccination Coverage: Access To And Utilization Of Care And The Welcome Mat Effect | Insurance Enrollment | Employment, Education And Health | Economic Evaluation Of Complex Service Delivery Interventions In LMIC Settings: Challenges And Potential Solutions | Frontiers In Global Budget Payment: Lessons From Germany, United States, And Taiwan | Using Results Based Financing And Strengthening Public Financial Management For Improved Health Outcomes: Assessing The Evidence From The Democratic Republic Of The Congo, Haiti, And Liberia | Income/ Inequality | Universal Coverage | Emergency Services Utilization | Costing Analysis | Cardiovascular Disease Risks | Micro-Economic Evaluation At Treatment Level | Health & Value | Payment For Drugs | Primary Care Markets | Hospital Markets I | Topics In Health Care Supply 3 | WOC Changing Interventions That Are Cost-Effective (CHOICE) 2017 Methods And Results Updates | Organization Of Nursing Homes Markets | Unraveling Causal Mechanisms Through Mechanistic Analysis: Applications In Health Economics | Preference Over Health | Financial Transition Of External Partner Support: The Case Of Mozambique | | |
| 07/11/2017 | 11:30-12:30 | Travel | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
| 12:30-5:00 pm Closing plenary (Agenda Annex) | | | | | | | | | | | | | | | | | | | | | | | | | | | | | | |
