### Terms & Conditions

When you purchase an E-Document from the Home Health Section of APTA, permission is granted for use as follows:

- Saving to Your Computer – You may save a single copy of the document to your computer.
- Copying for Internal/External Use - Your purchase of the document(s) entitles you to photocopy the document per the number of licenses purchased (single purchase = single copy of the document). You have permission

to use the document for internal or external purposes as needed for staff training or information, classroom handouts, and presentations.

Home Health Section E-Documents are owned and copyrighted by the Home Health Section. The following uses of e-documents purchased through the Section are prohibited:

- No RESALE is permitted. You may not use the document for commercial purposes.

- You may not post the document to the Internet, Intranet, or any location for public or internal viewing via computer, or distribute electronically.
- You may not modify the document or extract portions of the document for distribution.
