Learn from our international speaker on patient engagement

www.epatientdave.com

HISA is proud to introduce Dave deBronkart, one of the international key note speakers for this year's HIC. Known on the internet as [e-Patient Dave](http://www.epatientdave.com), cancer survivor deBronkart is a successful blogger for consumer health rights and the author of [Let Patients Help: A Patient Engagement Handbook](#).

An internationally renowned advocate in the United States for [patient engagement](#), he will be addressing HIC14 after the official opening on Tuesday August 12. [Register](#) for HIC14 now!
