### Information and technology use case studies and industry initiatives Submission Guidelines

The aim of the case study presentations is to provide delegates with practical insights into the implementation of e-health systems and provide a platform for exposure of innovations and initiatives.

In summary:

- Presentation abstracts to be submitted via the conference website at [www.hisa.org.au/hic2010](http://www.hisa.org.au/hic2010)
- Submission must not exceed 600 words (excluding title, authors, affiliations and bio)
- Submission to include the following sections:
  - a. Presentation title
  - b. Authors and affiliations
  - c. Structured abstract covering
    - I. Introduction (setting, problem/challenge to be solved)
    - II. Technology Brief
    - III. Implementation Processes
    - IV. Conclusion - outcomes and lessons learnt
  - d. Short biographies ( $\leq 50$  words) of presenters
- These papers will not be reviewed using the academic peer review process applied to the scientific conference papers, but will be reviewed for quality and content by the organising committee.
- Successful presenters will be allocated 10 minutes for their presentation

#### Key dates

Paper submission: 26 February 2010  
Notification of paper status: 2 April 2010  
Final revised paper: 31 April 2010
