- Vesta Winter: Showcases highlights, features, and photography from homes on the Summer and Fall Artisan tours (2 pages per entry)
- Cross promotion within the Spring and Fall Parade of Homes tours

PHOTOGRAPHY

- Professional photography (portrait and 12 home images) completed by Housing First Minnesota and shared with builders (with certain limitations)

PROMOTION

- Powerful, targeted marketing campaign designed to bring the right buyers to you
- Direct investment in a combination of highly targeted (lifestyle magazines, directional signage, digital programmatic and retargeted digital ads, e-newsletters) and mass (TV, radio, billboards, newspapers, high-traffic local websites) media will ensure that the Artisan Home Tour reaches your prospects today while introducing your brand to future buyers

DIGITAL

- Artisan Home Tour website with more than 420,000 annual page views
- Housing First Minnesota and Parade of Homes social media efforts (400,000-plus combined reach) to promote the Artisan Home Tour
- Email promotion through the Housing First Minnesota weekly e-newsletter, The Voice, and the Parade of Homes consumer newsletter
- Individualized social media kit with graphics will be provided for you to promote your Artisan home to followers
- Supported by a mobile app for touring, ticketing, mapping, and data collection; Each entry features home details, a builder profile, photo gallery, and ratings

ON-SITE

- Staff person provided for each home to greet visitors and scan tickets
- 10 complimentary all-access tickets to tour all homes, plus 20 single-home tickets

CHARITABLE

- Partial proceeds from the Artisan Home help to support the work of the Housing First Minnesota Foundation to build and remodel homes for veterans and families in need

PARTNERSHIPS

- Limited high-level Artisan Home Tour sponsorships will support the tour with in-home displays
- Housing First Minnesota will request remodeler approval of Site Sponsors

MINIMUM QUALIFICATIONS

The Artisan Home Tour is designed to showcase only the highest level of finishing, quality, and craftsmanship. See participation agreement for complete rules.

- **Required qualification for a remodeled home entry is a project value of at least $500,000 project value or a $300/sq. ft. minimum.** Housing First Minnesota can request sworn remodeling statement with signed client signature or other necessary documentation to prove that pricing is accurate
- Whole house, historic remodels, and other high-end remodeled projects are eligible for entry (teardowns are considered "new home" and are not eligible)
- All remodeled areas must be fully furnished and homes may not have appeared in any other home tour
