

# TRANSPORTATION INNOVATION FORUM

## “Preparing for the Future: Autonomous Vehicles and the Transformation of the Mobility Marketplace”

Tuesday, May 28, 2019 • 5:30-7:30pm

Renaissance Portsmouth-Norfolk  
Waterfront Hotel

(Registration and Networking Reception 5:30-6:00pm)

Register at [TransformTransit.com](http://TransformTransit.com)

Billions of dollars are being invested to shape the future of mobility. Join national experts discussing the auto industry's vision and leading-edge innovations that promise to transform the transportation marketplace in coming years, with a special focus on emergent autonomous vehicle and electrification technologies and new projects in the public transit sector getting underway in Virginia in 2019.
