Angie Dempsey serves as the Senior Manager of RMS Talent & Organization Development. She is responsible for leading the RMS culture transformation and for strengthening the talent pipeline to ensure the organization has the capabilities it needs to deliver value to our customers now and in the future. Prior to this role, Angie served as the Director of Product & Services for Aetna University. In this capacity, she oversaw the design and execution of the Enterprise Learning Strategy.

Angie has a passion for sharing knowledge, unlocking insights, and driving innovation to improve the well-being and performance of people within organizations. Throughout her career, Angie has led Enterprise Talent Initiatives including Change Management, Organization Design, Career & Competency Management, Leadership Development Programs, Employee Survey & Analytics, Social Learning, Strategic Planning, and Employee Programs.

Angie is a graduate of the Lockheed Martin Human Resources Leadership Development Program. She holds an M.B.A from Georgetown University and a M.S. in Industrial Organizational Psychology from Clemson University.

Angie lives outside of Hartford, Connecticut with her family. Angie enjoys traveling around New England and is an avid Clemson Tigers fan.
