Arthur J. Gallagher & Co.

Offering over 80 years of experience, with reputations built upon integrity, reliance and proficiency, AJG delivers exceptional insurance solutions and signature personal service

Dale Finn is an Area Senior Vice President for Arthur J. Gallagher (Gallagher) employee benefits practice and is a Certified Healthcare Reform Specialist™ (CHRS) and Certified Corporate Wellness Consultant™ (CCWC). Dale has been with Gallagher for over 12 years in several different capacities including managing and supervising his branch's client analytic department and consulting to larger national employers throughout the country. Today Dale is an industry leading benefit consultant to some of the largest and most complex employers in the country. Dale Finn was recognized as Risk & Insurance Magazine's 2017 Power Broker of the year. This is the second time that Dale has been recognized by Risk & Insurance Magazine for his work with his clients in the maritime and hospitality industry.

Dale also has the responsibility to provide specialized consulting to other Gallagher consultants on Maritime Health Delivery Systems, Health Care Reform and Benefit Administration. This includes training Gallagher consultants and analytical underwriters how to use and manage the proprietary Gallagher Health Care Reform Planner.

Dale also works with our Gallagher consulting team to apply Gallagher's Health Care Reform Financial Outlook tool for our clients to project the potential financial impact of Reform on their organization. This client-specific Health Care Reform consulting expertise allows our clients to prepare for the future through a specialized custom consulting strategy.

Recently, Dale has been appointed as a Gallagher Marketplace Private Exchange Champion who is responsible for training Gallagher team members on Private Exchange strategic planning and client support. In this role, Dale is a lead in supporting clients employing Private Exchange strategies and philosophies.

Prior to joining Gallagher, Dale worked in the field of engineering project management for several years in Alberta and Western Canada. Dale grew up in Alberta, Canada and studied Business with a minor in Psychology; he then studied Mechanical Engineering with a focus on Project Management.
