Disaster Relief Fund: *Your donation is URGENTLY needed.*

The IACP Foundation is joining with the NCPA Foundation to raise funds for the disaster caused by Hurricane Harvey in Texas and Louisiana.

The NCPA Foundation **Disaster Relief Fund** helps independent community pharmacy owners restore their businesses when the unthinkable happens—like the devastation caused by hurricane Harvey in Texas and Louisiana.

Your help is urgently needed to help maintain the disaster fund so aid can IMMEDIATELY be provided to independent pharmacies hoping to recover from this recent disaster.

Corporate and individual donations are welcome. Your support is tax-deductible. **Please complete and return the donor form below by mail or fax.** Or, visit the donation pages at www.ncpafoundation.org or www.iacprx.org/?page=29.

REMINDER: Visit the Pharmacy Disaster Support Center at www.rxdisaster.com for information about how you can strengthen your business continuity procedures.
