

5th Annual ICBS Conference

October
24-26, 2016
Madison, WI

Register
Now!

Translational Chemical Biology

October 24-26, 2016 University of Wisconsin-Madison

Biosensors and Imaging
Cancer
Chemical Biology of Lipids

Epigenetics
Human Microbiome
Infectious Disease

Natural Products
Neurodegenerative and Neurological Disorders
Regenerative Medicine

Confirmed Speakers

**Professor
Laura Kiessling**
University of
Wisconsin-Madison

**Professor
Junying Yuan**
Shanghai Institute of
Organic Chemistry and
Harvard Medical School

**Professor
Kai Johnsson**
École Polytechnique
Fédérale de
Lausanne

Emily Balskus Harvard
Sean Brady Rockefeller
Eric Brown McMaster, Ontario
Xing Chen Peking University
Sheng Ding UCSF
Ulrike Eggert King's College, London
Ellen Heber-Katz Lankenau Institute, PA
Phil Hieter U of British Columbia
Deborah Hung Massachusetts General Hospital
Tapas Kundu Jawaharlal Nehru Centre, India

Hilal Lashuel EPFL, Switzerland
Jennifer Prescher UC Irvine
Daniel Rauh Technische Universität, Germany
Siddhartha Roy Bose Institute, India
Elizabeth Sattely Stanford
Rick Silverman Northwestern
Keith Wood Promega
Dan Yang U of Hong Kong
Jin Zhang UCSD
**More speakers to be selected from submitted abstracts.*

Oral Abstract Submission Deadline September 12, 2016

Poster Submission Deadline September 26, 2016

\$500 Awards to the top three posters

\$1000 Awards to ICBS Young Chemical Biologists

Two Evening Poster Receptions Including Beverages and Light Hors d'Oeuvres

Group Registration Discount:

If 6 or more people register together, you will receive a 15 percent discount off all registrations in the group.
