

POSITION YOURSELF;

The storm has begun -Get your ark in order

ICCC INTERNATIONAL CONFERENCE & IGM
NOVEMBER 5 - 8, 2026 YEREVAN, ARMENIA

WHY TAKE A POSITION & WHY ARMENIA?

As it was in the days of Noah we have entered “stormy weather”! Polarizing trade and military conflicts, Russia – Ukraine and Israel and USA recently attacking Iran. Note: Iran has boarder to Armenia. So, we might see Iranians fleeing to Armenia to receive the Lord!

Our society is today characterized by confusion, increasing lawlessness and greed, and love is growing cold. We can say, **as it was in the days of Noah**; the land is filled with violence and injustice. Genesis chapter 6 clarifies that the *People did not discern* the time despite of the fact that Noah had warned them. And Matt 24:39 tells us that the people was unaware when Noah went into the ark and the flood came.

When society turns away from God, we – His people – need to humble ourselves, seek His face, turn away from our wicked ways, repent and come in line with God’s purposes for our time. “He will heal our land” (2 Chron 7:14). We need to obey the Lord in a walk by faith, as Noah did! Think about how wrong it would have been if Noah would have asked the Lord to stop the rain. The flood was a reset, a game changer as never before – a blessing for those who heard – the obedient ones, and a judgement for the disobedient! The Lord called Noah’s family, and all the different animals came voluntarily into the ark, and the Lord closed the door from the outside! Today the Lord is calling His people from all professions & industries to take a new step by faith into the unknown, awaiting His visitation and rain. It will come, and the time will come when the Lord once again closes the door.

God is leading and sending us to Yerevan, the capital of Armenia for the next ICCC International Conference, 5-8 of November 2026. The leading of the Lord has been amazing and the confirmation massive. Through Carl Gustav Severin, international evangelist, the door was opened to the World of Life Church and real friendship has developed with lead pastor Armen Lusyan and team.

From Yerevan you are able to see Mount Ararat where Noah’s ark stranded. That represented a new beginning for mankind. But the Republic of Armenia also represents a major part of the “root-system” of Christianity in the world. In 301 AD., Armenia became the first state to adopt Christianity as its official religion.

There is also a root-system for ICCC relating to Armenia. In the late 19th century, many of the Armenians living in the foothills of Mount Ararat experienced the outpouring of the Holy Spirit. Among them was the grandfather of Demos Shakarian and his family in Kara Kala. Through a very precise prophetic word written down by a young illiterate boy by the name of Efim, the family was warned about coming atrocities which would kill many of the Christians. Based on this word they fled to the US and settled down in California. It was here Demos later founded Full Gospel Businessmen’s Fellowship International (FGBMFI). He was given the same name as his grandfather, Demos Shakarian. FGBMFI became a tool for the charismatic revival reaching the entire world. And it is out of this root-system that ICCC was born. So now we are coming back to the roots, and it happened in Armenia...

We are sensing a new season for the Body of Christ in many of our nations, Armenia is clearly one of them, but also the west and not least the 10/40 Window. To be efficient in the Spirit by faith, we must allow Him to take us into deeper water. In Ezekiel 47 we read about the man with the measuring rod. This story ends with the man swimming in the river without control, but the Lord is in control.

Allow the Lord to take over! It is the same process with the ark... No human control, no engine, no mast, no sail, no rudder, but the Lord was in control! Let me also remind you about Jesus in John 7:37:

"If anyone thirsts, let him come to Me and drink. He who believes in Me, out of his heart will flow rivers of living water."

This is the double stream → The Holy spirit and our spirit, flowing together. This happens when we are abiding in Him. And this is the strategy for God's people in the future battles during stormy weather...!

We need a resolute readiness to lay down ourselves and our ministry and become a blessing as humble servants to the body of Christ in Armenia. This is a vital part of God's calling to us to manifest a *"Transformed and Sanctified Working Life. We dream of a worldwide people who in their working life's will see their plans and strategies become an outward manifestation of an inward walk by faith manifesting God at work through You!"*

Noah was a righteous man who heard the Lord and walked with integrity in his time. His calling was to provide a solution and blessing, in the stormy season. Noah's earlier experiences did not include experience of rain from heaven. But he had ears to hear and eyes to see in the spirit when the Lord said, "build an ARK." For us Jesus is the ark, this means:

• **A Spirit Led Life**

Noah listened and obeyed when God said to build an Ark. God gave him all the measurements, material, and skills. And finally, He filled the ark with people and animals.

• **A Professional Life**

Out of His obedience Noah became a highly skillful shipbuilder. A real "priestly technician"! His excellence was needed to create the ark so that it would float. Without Noah's excellence, the boat could have been sinking in the storm!

• **A Righteous Life**

Noah was righteous, he believed in God and he found grace in the eyes of the Lord and was willing to give up his own – taking the risk of trusting God.

We pray that ICCC, and each one of us, will be used as a special vehicle of God for this time in the international business community, resulting in both blessing and protection. Foremost we pray that our coming to Armenia will become a blessing to the body of Christ in Armenia.

There was a time in the **"drydock"** when building the ark. Then the Lord sent both the storm and the rain/water. Both wind and water in the Bible are pictures of the Holy Spirit, and the water is also salvation! Salvation and fruitfulness are found in the water, swimming together with the Lord. We see how God is moving in the history of man. This represents a time of testing for us and propels us to move out of different the dry-docks in our callings. **This is the purpose of this conference!**

Welcome!
