Here are the summary points from the video:

Hope you all are well and blessed and that you serve the Lord with great JOY!

1. The Good news for today...

The Lord IS BUILDING YOU A HOUSE! See 1 Kings 11:38... *"If you keep my statutes and my commandments, as David my servant did; I will be with You, and will build You a sure house, as I built for David..."* If we give, serve and obey Him with what we have - you can say we build a house to the Lord. And the Lord will respond by saying "I will BUILD YOU A HOUSE". We know from Psalms 127, that unless the Lord builds the house, the builders labor in vain. So let the Lord build YOUR HOUSE!

2. Volunteer at the International Office. Introducing Rafael Kunze from Uruguay.

3. Giving

If You and I have been blessed by the work of ICCC – Let’s give with generosity. Do not give to get and to receive - this is investment. Give voluntarily, regularly and with Joy, scriptures says. It is a privilege - as we reported at the last IGM the International Board have been giving a LOT from private pockets to finance trips, hotels and so on.

Let me say that we have **three (3) focus areas** - three funds will be set up to give to:

A. **TWL - new modules** We are now working on module 4; God's yes to industries and functions - our professional expression and module 5; God's yes to Israel and the nations - Understanding our time)

We have promised to support Arabic Christians in Israel - Israel Pochtar's Church - after the summer in Ashdod. We need to send a teacher's team... This cost money. We also need to do a lot of films for the new modules including some summarizing messages of the TWL in a good way - cost money...

B) **YP work** - for example the upcoming conference in Greece in the end of August and a lot of things such as training and communication etc. All International Board will be there together with spouse serving all week long - investing in to the next generation.

C) **Israel work** - This also connects with TWL - see above. We are continuing with the ARISE Conference and a lot of trips and meetings are being planned, taking ICCC to the next prophetic level in the nation of nations - ISRAEL! The last IGM gave us a lot of new connections and we are now connecting a lot of other Christian workplace and business ministries to this work!

Upon request we have now also put together a page with the various options for making payments to ICCC. Here you may even find various alternatives for different currencies, potentially keeping conversion costs down for all of us: <https://iccc.net/page/paymentstoiccc>

4. Romania

I just **returned from a great trip to Romania** - with my wife Catarina. The Lord is opening very interesting doors. We met with Tudor Petan and his team and they are seeking the Lord for next step. Many connections are in play and Tudors A&OTV is a great ministry to collaborate with. We did 12 summary films, of 10 minutes each, for the new TWL programs while being there. These will soon be shown in Rumania. The team in Romania have a great heart for the Body of Christ and for the Gypsies. They also show a very positive attitude toward Israel.

5. Pray for all national IGMs in the nations - We need people that have understood the calling of ICCC and that are committed to spend time for: meeting together in the boards, for prayer and for work between the meetings - The Lord is our source!

This is something I strongly want to communicate, as a challenge to us all.

Be Blessed and have a GREAT TIME WITH THE LORD!

JAN STURESSON

Chairman of the International Board
