become a scholarship sponsor and MAKE A DIFFERENCE

ICPHSO is proud to offer scholarships to our meetings for those who would not otherwise be able to attend our safety training conferences.

We believe that all stakeholders should be able to participate, regardless of their resources. We also believe this important initiative furthers the richness and breadth of our meetings.

Who uses and needs your Scholarship Support? Under-represented stakeholder groups, e.g., consumers, public interest groups, academia, researchers, injury prevention professionals, local, state, and international governments, small or startup businesses, and the recently unemployed.

Scholarship Sponsors Receive:

- Logo recognition at the Annual Meeting and at any additional /subsequent conferences you choose to support
- Logo recognition on the ICPHSO.org Scholarship Contributors webpage
