

Ross Koeser Achievement Award

In 2015, upon the retirement of ICPHSO founding member and first Executive Director, the ICPHSO Board created the Ross Koeser Achievement Award. This award is given annually and recognizes an ICPHSO member for their significant contribution to the organization. Ross was the first recipient recognized by the ICPHS Board of Directors for his service to the organization.

Our second recipient of the achievement award in 2016, was Joan Lawrence, Senior Vice President, Standards and Regulatory Affairs, Toy Industry Association (TIA). Joan was recognized for her contributions to ICPHSO as a volunteer, long-time chair of the Sponsorship Committee, Board Member service and as a past President.
