

## **Exhibitor Tips Sheet**

### **Set Yourself and Your Company Up for Success!**

As an exhibitor/sponsor of the 2019 ICPHSO Annual Meeting and Training Symposium, you have made an excellent business decision to promote your organization, products and services to an influential group of professionals. Here are some helpful hints about the conference and its attendees that will prepare you in making the most of this experience and investment.

### **BEFORE THE 2019 Annual Meeting**

#### **PRE-EVENT MARKETING**

- Schedule meetings with customers, prospects and colleagues in the region while you are in town to make the most of your time
- If available, use the advance attendee list to set up private meetings with attendees at your booth or in a separate area
- Invite attendees to your booth with an incentive, such as a free gift with demo or raffle item
- Announce your participation at the event on your website, blog and social media channels

#### **SET GOALS**

- Do more than showcase your company's products and services – educate attendees!
- Develop a strategy for generating leads and take advantage of lead retrieval services and foot traffic building activities offered to all exhibitors
- Re-evaluate your lead collection method and make sure everyone staffing your booth knows the procedure
- Focus on lead quality, not lead quantity

#### **STAND OUT**

- Showcase NEW products and services that pique interest
- Be creative with your exhibit booth; for example, use bright colors to catch attention
- Maximize your signage to explain your products/services and their benefits
- Review the final program to align conversations at your booth with the subject matter being addressed at the meeting
- Don't forget to have fun! Everyone always loves a good booth game and giveaways!

## **AT THE 2019 Annual Meeting**

### **WHERE AND HOW TO NETWORK**

- Don't be afraid to step away from your booth during down time to mingle with the attendees
- Accompany them to your booth when the opportunity presents itself
- Engage in conversation and lead discussions that show what you know!
- Present an inviting environment at your booth; working on a laptop or speaking on a cell phone will likely cause attendees to pass you by
- Be present at welcome receptions and in the hall during periods of high foot traffic volume, such as networking breaks

### **ALLOW ATTENDEES TO BE "HANDS-ON"**

- If you have a touchable product, make sure it's there; attendees are visual and tactile people and like to touch products to get a sense of their worth
- Have effective, ample lighting at your booth
- Bring samples and educational materials

### **ESTABLISH RELATIONSHIPS**

- Make an effort to proactively engage with attendees and spark discussion
- Leverage existing relationships to develop new, qualified leads
- Establish trust and build rapport
- Follow up after the show in a timely manner with an e-mail or personal phone call to keep the dialogue going

### **ENGAGE IN SOCIAL MEDIA BEFORE, DURING AND AFTER THE CONFERENCE TO DRIVE RESIDUAL VALUE**

- "Like" ICPHSO's Facebook page! [www.facebook.com/International-Consumer-Product-Health-and-Safety-Organization-1045762658847373/](https://www.facebook.com/International-Consumer-Product-Health-and-Safety-Organization-1045762658847373/)
- Follow ICPHSO's Annual Meeting hashtag **#ICPHSO2019** on Twitter and make sure you are tweeting and retweeting before, during and after the event!
- Share your pictures!!! Share on ICPHSO's social media outlets and your own with the official conference hashtag **#ICPHSO2019**
