

MEMBER SERVICES OVERVIEW

Member Services at ICUT strives to provide all ICUT members with programs and resources that take advantage of the purchasing power of the institutions united rather than one institution alone. To help defray administrative costs, ICUT may receive a modest amount under some of the agreements.

For additional information, please contact **Lois Hollis**, Senior Director of Member Services

Phone: 512-615-9319 **E-mail:** lois.hollis@icut.org

ICUT Product and Service Agreements
VENDOR Information

VENDOR	SUMMARY
Adobe	Provides institutional licensing of campus-owned computers and servers with a bundle of Adobe products (Creative Cloud and/or E-Sign) at an educational discount.
Affinity LTC*	Provides long-term care insurance as an employee paid benefit.
Borden Perlman*	The Coalition, in partnership with Pan-American Life Insurance Company, has created cost-saving initiatives that address your intercollegiate sports exposure, offered exclusively through Borden Perlman Sports. Borden Perlman Sports offering Intercollegiate Sports Secondary Insurance Coverage and Individual Hard Waiver Plans for Student Athletes.
CampusLogic	CampusLogic delivers SaaS technology that helps colleges and universities remove barriers in the financial aid process. The company currently helps more than 750 schools increase enrollment, retention, and graduation rates with the most comprehensive platform of student financial success products.
CastleBranch*	CastleBranch provides almost two-thirds of colleges and universities nationwide with a wide array of products and services. A true industry leader, CastleBranch offers technology driven background screening solutions for your students and entire workforce, including employees, contractors, vendors, volunteers and more.
Constituo Software	Provides SaaS integration products and solutions for higher education institutions. This agreement gives ICUT members a 25% discount off all SaaS products and solutions and a 15% discount off all professional services.
Fastenal*	As the world's most efficient supplier of OEM, MRO, and construction products, Fastenal has never wavered in their belief that great service starts with being close to their customers. Today they operate nearly 2,700 stores spanning all 50 states.
FISCAL Technologies*	FISCAL protects organizational spend by continuously analyzing your supplier invoices and vendor master file, identifying improper payments and finding high-risk vendors.
First American Education Finance*	Provides institution discounts for capital purchases or leases of campus upgrades, equipment, furniture, and technology. In addition to developing funding solutions for campus projects, First American and its parent company, City National Bank, are offering a Group Rebate Program to ICUT members.
Franklin Covey	They provide content, tools, methodology, training and thought leadership, based on a foundation of proven practices. They work with a variety of Higher Education Institutions, towards a common mission of enabling greatness in people and organizations.
Grand River Solutions*	Grand River Services provides Title IX, equity, and Clery Act solutions for campuses and communities. Our team consists of interdisciplinary experts with direct, on-campus experience as administrators and leaders. All services are tailored to each situation and requirements, and support is customized to assist in efforts to build communities that are free from discrimination, sexual harassment, and sexual violence.

ICUT Product and Service Agreements
VENDOR Information

VENDOR	SUMMARY
IMA*	IMA Provides a Property & Casualty Insurance & Risk Management program designed specifically for the unique needs of private, independent colleges.
Learner Mobile	Learner Mobile is a next generation learning management system (LMS) that offers an innovative alternative to traditional systems and is uniquely designed to meet the needs of our modern learners. Learner Mobile delivers learning content in more consumable, engaging formats and utilizes advanced predictive insights to present relevant content to users, based on their profile, interests and activity.
Liberty Mutual Auto and Home*	Liberty Mutual's AUTO and HOME Voluntary Benefits program offers savings, service and convenience plus significant group discounts on products.
MCAG/Managed Care Advisory Group*	MCAG assists its clients with recovering money from class action settlement funds. MCAG does NOT create class actions—they continually search for class actions that have already settled and have funds available for their clients - allowing clients to focus on their business.
Microsoft	Provides institutional licensing of campus-owned computers and servers with a bundle of Microsoft products at an educational discount and discounts for purchasing Microsoft products for institutions, faculty, staff, and students.
MindStream*	Mindstream helps institutions reverse first time enrollment and retention declines, re-imagine workflows and organizations considering budget cuts, alter the institution's culture to keep needed change alive and more.
OMNIA	Provides a full spectrum of cost-effective products and services including athletic supplies, building services/facilities management, business and office products, dining services, and student health products.
Paymerang*	Provides an electronic payment solution that automates accounts payable invoice payment processing and reconciliation. It is similar to electronic payroll processing but includes more vendor payment options in addition to direct deposit.
Pharos Resources	Pharos Resources provides a comprehensive approach to improving student outcomes. Our unique software and approach will strengthen early alert, student care, and retention on your campus. Our relationship- focused perspective allows you to identify at-risk students, eliminate campus silos, increase student engagement, and enrich your culture of student success.
ScholarBuys	A value-added reseller of computer software, hardware and peripherals; ScholarBuys' mission is to provide exceptional service that empowers the academic community. Our niche focus is group purchasing. We help ICUT harness its collective strength in the marketplace for IT-related goods and services with companies like Microsoft, Adobe, and Cylance.
SchoolDude	Provides a discount for its web-native operations facility and IT management solutions built exclusively for education professionals.

ICUT Product and Service Agreements
VENDOR Information

VENDOR	SUMMARY
Timelycare	Timelycare is a telehealth company focused on keeping higher education populations healthy by providing access to 24/7 quality care (medical + counseling) and implementing university-wide student health initiatives centered on healthy living. Timelycare develops customized telehealth programs for colleges and universities and incorporates them into the school's current healthcare delivery model. Timelycare telehealth programs increase access to care for university students and are focused on improving overall student health. They are offering ICUT members a 10% discount on set up and products.
Transact by Cashnet	Whether it's to simplify electronic billing, accept payments all over campus, offer flexible tuition payment plans, or create online storefronts, Transact Payments Powered by Cashnet fits your everyday campus needs and gives your students and authorized payers enhanced, flexible payment options.
Unisys, PowerSuite™	Our Mission is to deliver advanced IT solutions to businesses and governments around the world. PowerSuite™ collaboration management and security software suite empowers your IT teams to manage, optimize and secure their unified communication and collaboration (UCC) platforms, such as Microsoft Teams and Zoom.
United Healthcare – Student*	UnitedHealthcare is dedicated to the student insurance market, serving 390,000 students from over 400 colleges and universities every plan year. A variety of flexible options are available, including major medical plans, preventive care, and adjustments of exclusions such as suicide and drug-related accidents or sickness. All plans include benefits for ADHD, intramural and club sports and a variety of ancillary benefits designed with students in mind. Student Resources supports both voluntary and mandatory student insurance plans.
UPS	Provides shipping discounts based upon amount of spend as well as additional shipping services.
Upswing	Upswing is an education technology company based in Austin, Texas, that developed an SMS-based virtual assistant called Ana focused on improving student engagement and retention throughout college. The virtual assistant allows colleges to set up automatic text message interactions with students throughout the year.
Vector Solutions	Vector Solutions Training is the leading online employee and student training system specifically designed for higher education. Their comprehensive library of 100% campus-focused courses matched with a state-of-the-art compliance management system make it easy to deliver and document training and policy acceptance across your entire school community. They are offering ICUT members a 25% discount on employee and student learning modules.
