

FEMA REGION X TRAINING OPPORTUNITY

FEMA

Course: L0110

National Emergency Management Basic Academy Train-the-Trainer

Date:

May 7-11, 2018

Location:

Boise, ID

Time:

8:00am - 5:00pm MT

Course Description:

The Federal Emergency Management Agency (FEMA) recognizes the need to tie training programs to an established set of emergency management competencies and to a career development program through a progressive training and education system that includes the Basic Academy. The Emergency Management Institute (EMI) is offering the opportunity to students who are experienced in emergency management and adult training to take a step toward becoming qualified as an instructor for the **Basic Academy** courses.

All topics covered in the course are covered from an instructor's perspective in the Train-the-Trainer including at a minimum: history, legal issues, intergovernmental and interagency context, influencing, organizing, social vulnerability issues, managing stress, collaboration, planning, exercises, public information and warning, preparedness, team building, protection and prevention, mitigation, response, ethical decision-making, recovery, technology, administration, and the future of emergency management.

Course Goal:

Upon completion of this course, students will possess the skills necessary to set up and facilitate an offering of the Basic Academy courses.

Target Audience:

This course is intended for those emergency managers and trainers from Federal, state, local, tribal, and territorial emergency management agencies who have extensive background in emergency management and experience in training adults.

- Minimum five (5) years experience in emergency management (recommended to be current practitioners)
- Proven and proficient capability to deliver and facilitate training (EMI resume/recommendation review)
- Demonstrated knowledge of the fundamental systems, concepts, and current practices in emergency management
- Resume detailing responsibilities, authority and length of time in profession
- Effectiveness teaching emergency management to adults
- Documentation of at least three (3) years experience teaching emergency management to adults

Please see the next page for additional course information.
