

NATIONAL
RURAL WATER
ASSOCIATION

APPRENTICESHIP FOR UTILITIES

Idaho Rural Water Association: Who We Are

- Mission: To provide technical assistance, training and a strong representative voice for the benefit of Idaho's drinking water and wastewater utility systems

Idaho Rural Water Association: Who We Serve

- Membership: over 350 drinking water and wastewater systems in Idaho
- Drinking Water and Wastewater Operations Specialists

Operations Specialists

- Provide safe drinking water and environmentally responsible wastewater treatment
- Public health protection
- Technical operations
- Maintenance of critical infrastructure

Operations Specialists

- Every drinking water and wastewater system is required to have a licensed operator
- High degree of personal responsibility on the individual
- Often called upon to make decisions concerning health and safety requirements and operational demands

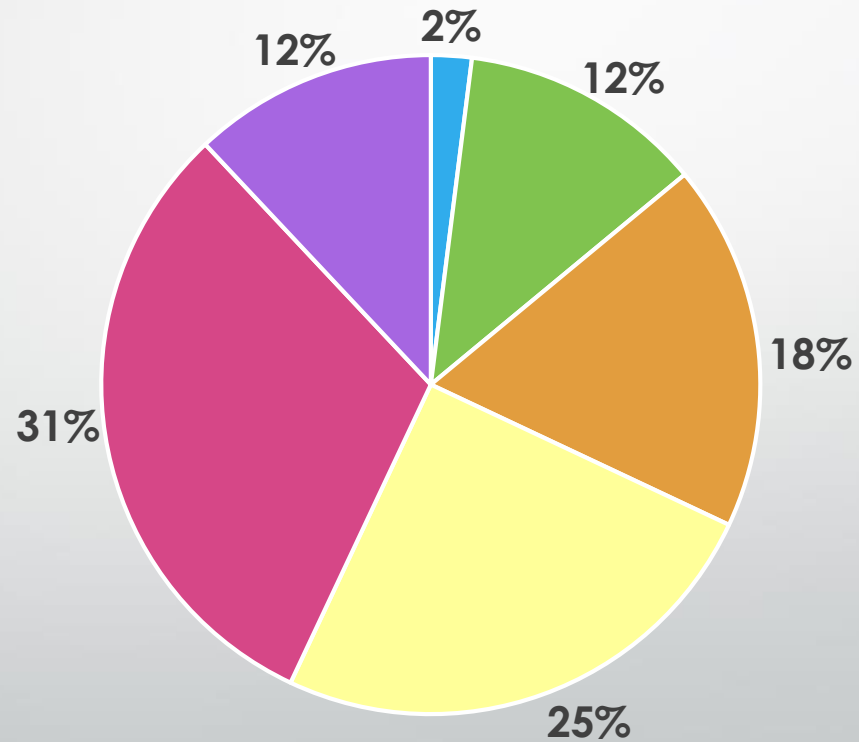

Apprenticeship Program Initiatives

- Provide opportunity for diverse populations
- Encourage younger individuals to join the field
- Jumpstart interest in our industry

Succession Planning

- 50% of Idaho's Operations Specialists will retire in the next decade.

National age distribution in water industry

■ Younger than 25 ■ 25-34 ■ 35-44 ■ 45-54 ■ 55-64 ■ 65 and older

Advantages of Apprenticeship

for every dollar spent on Apprenticeship
employers gain

\$1.47
in return

through increased productivity,
reduced waste, and greater
front-line innovation.
