AIC City Achievement Awards

We encourage each city to submit as many applications as you would like for as many categories as you wish.

When submitting your project(s)/program(s), please remember to include:

- Contact Name
- Title
- City
- Mailing Address
- Photos of your project!

All cities are encouraged to participate in AIC’s Idaho Cities Achievement Program. Each submittal should have a description of the project that could touch on the following factors:

- Improve quality of life
- Solve a community problem
- Reduce the cost of government
- Increase city services with a minimal additional dollar outlay

The following information is suggested to be included:

- Why was the project/program needed?
- How is the project/program set up?
- What does it cost?
- Did the project/program solve/prevent a city problem?
- How did the project/program contribute to community enhancement?
- Describe the level of cooperation and collaboration involved in the project/program.
- Can other cities implement a similar project/program?
