

FEMA REGION X TRAINING OPPORTUNITY

FEMA

Course: **Region X Cyber Workshop**

Date:

September 18, 2019

Location:

Boise, ID

Workshop Description:

Hosted by the Idaho Office of Emergency Management, FEMA National Exercise Division, and FEMA Region X. This tailored workshop is to prepare for National Level Exercise (NLE) 2020 which involves a complex, adversary-based, multidimensional attack that reflects the global threat environment and includes widespread cyber-attacks. Topics include: Local Threat Brief; Case Study; Incident Response & Investigation; Cyber Law and Policy; Community Cyber Exercise Planning.

Workshop Objectives:

- Demonstrate understanding of roles, responsibilities, resources, capabilities, and emergency contacts in the event of a cyber-attack.
- Strengthen regional connections among emergency management and cyber professionals.
- Share best practices among emergency managers for cyber incident preparedness.
- Support communities in preparing for participation in NLE 2020.

Funding:

Tuition is free for those accepted.

Target Audience:

The workshop is intended for state, local, tribal, private, and Federal representatives interested in increasing cyber resilience.
