DEAR COLLEAGUES,

The Idaho Academy of PAs CME Committee invites you to attend our 2019 Annual Meeting & CME Conference in Sun Valley. The conference will provide practical updates you can apply in your current practice as you enjoy Sun Valley's world-class hospitality and casual elegance.

Topics this year include: Ambulatory Medicine, Perioperative Evaluations, Common Musculoskeletal Conditions, Dermatology for Primary Care, Abdominal Pain, Hypertension Updates, Chronic Kidney Disease, Pulmonary Updates, Radiology, Opioid Misuse and Abuse, and more.

The CME topics for this program were selected by monitoring trends in current therapies and medication advances, as well as past program evaluations. By attending, you'll gain valuable information to assist you in preparation for your certification exam, as well as keeping updated on important health care issues. Our goal is to enhance your ability to provide quality care to patients.

Please plan to attend the **IAPA Business Luncheon**, which includes a legislative update and networking with colleagues. Also, join us for our **Friday Luncheon**, which provides an opportunity to meet and socialize with exhibitors and other conference attendees!

Also, don't miss the **IAPA Annual Awards Banquet**, which will honor IAPA past-presidents and offer a great opportunity to recognize award recipients during this fun evening of camaraderie!

This reception is free only to registered **PA-C and NPs and one guest**. The reception will be held at the Limelight Hotel Silvercreek Room in Ketchum. For an added fee, additional guests and children may attend. Register for this event quickly: space is limited, and reservations will be first-come, first-serve. We hope to see you there!

IAPA can always use volunteers. If you'd like to volunteer with conference planning or other IAPA committees, please send an email to steven@idmed.org. Getting involved is a great way to meet other PAs and continue to advance the profession. We look forward to seeing you in Sun Valley!
