**Southeast Chapter Meetings:**

The Southeast Chapter of INMM held a local chapter meeting at the Annual INMM meeting in Indian Wells, CA in July 2015 along with a no-host dinner at Tommy Bahamas. Twenty-four local chapter members attended the meeting. Students from the GA Tech chapter as well as the newly formed University of Florida chapter were present. Discussions about the SE Chapter involvement at the 2016 INMM Annual Meeting were begun (see additional details below). Several awards were presented to SE Chapter members at the 2015 INMM Annual Meeting including Senior Membership (Kerry Dunn, Jeff England, and Steve Wyrick) and also the Edway R. Johnson Meritorious Service Award (Steve Bellamy). The SE Chapter Website was discussed and is now up and running.

An Executive Committee Meeting was held in Aiken, SC on October 15, 2016. Further details for the INMM Southeast chapter involvement with 2016 Annual INMM Meeting were discussed (see additional details below). We discussed workshop possibilities with the Central Chapter and also discussed the formation of the UF student chapter.

An Executive Committee Meeting was held in Aiken, SC on February 8, 2016. Continued discussions about the INMM Southeast chapter involvement with 2016 Annual INMM Meeting were (see additional details below). Revitalization efforts for the GA Tech Student Chapter were also discussed. Several activities were undertaken to help with the revitalization including: Reaching out to the student representatives to ask what might help them, offering savings for INMM Annual Meeting participants, visiting the campus to meet with key GA Tech Student Chapter contacts, and conference calls with students and faculty. We are hopeful that we can keep the energy high with the GA Tech Student Chapter to get it revitalized.
