SUMMARY OF SOUTHEAST CHAPTER MEETINGS:

TUESDAY, DECEMBER 22, 2014 EXECUTIVE COMMITTEE MEETING

An Executive Committee Meeting was held in Aiken, SC on December 22, 2014. Committee members in attendance were: Kerry Dunn, Lindsay Sexton, Bradley Loftin, Jeff Allender, John Dewes, Paul Ebel, Paul Cloessner, Steve Wyrick, Steve Bellamy, Michelle Romano. The items discussed included:

- Tour of NRC in October was reviewed by Michelle Romano
  - 8-10 GA Tech students were taken on NRC tour (Chem.E. and Nuc.E Masters and Ph.D. majors)
  - 6-7 NRC employees gave talks on what they do and their backgrounds
  - Toured the incident response center
  - Michelle gave an overview of NRC and hiring process, networking opportunities, and the Nuclear Safety Professional Development Program
  - Additional Items that came out of visit:
    - Michelle has also contacted the North American Young Generation in Nuclear (NAYGN) to see how our organizations can work together in the future
    - Should reach out to policy majors at GATech and UGA for future tours

- Reviewed EC meeting content held in November 2014

- Desire to re-schedule GA Tech tour was discussed. Target for re-scheduling was in mid-February.

- Paul Ebel is still working with the central chapter to develop a workshop (Security Culture). Other ideas were brainstormed:
  - Partner with CNTA on Nuclear Education workshop
  - Discussed change of location for Security Culture workshop and/or an expansion of the topic:
    - Security Culture / Insider Threat
  - Other items to start considering:
- Speakers, format, interactive activity
- Do we need a DOE sponsor or approval
- Target date – FY16

- Website
  - Working to have a draft "website" for the SE Chapter INMM Executive Committee to review and comment by January 15, 2015.
  - Hope to help Southeast student chapters with their information like provide links on our website, etc.

- Discussed SRNL Sponsorship for the 56th INMM Annual Meeting
  - Estimate submitted to POC
  - Items to consider include:
    - Booth space (2 booths usually)
    - Moving materials to Indian Wells for the booths
    - Sustaining Chapter funds

- Webinars
  - Paul Ebel is pushing to have some webinars for students. Maybe in the form of a seminar that is given and recorded so that others can view at a later date.
  - Steve Bellamy agreed to pull something together by mid-February that might be useful for a webinar. Paul Ebel will pulse INMM fellows to ask for help in this area.

- Outstanding Items
  - Thank you notes – Lindsay
  - Memorial to J. Jay – taken care of by INMM

POST DECEMBER MEETING:

- GA Tech tour did not occur due to schedule conflicts. Another date will be considered.
- Thank you notes sent out to:
  - SRNL
  - Tetra Tech
  - GA Tech
  - NRC

Respectfully submitted,

Kerry Dunn
