

2018 Science Spectrum Trailblazers

Gisselle Cunningham
Systems Engineer II
Boston Scientific

Rob Morton
Production Supervisor
Boston Scientific

Jakarea Badgett
General Engineer
Defense Contract Management
Agency

Serena Wilson-Archie
Maintenance Manager, Maryland
Peaking Fleet
Exelon Generation Co., LLC

Cheronda Walls
Sr. Advanced Systems Engineer 3
General Dynamics Mission Systems

Derek Chambers
Unix/Linux Engineer
General Motors

Jordan Cheeks
Sr. Software Developer - Data
Integration
General Motors

Lonell Edwards
IT Manager
General Motors

Isong Ekpenyong
Dimensional Architect
General Motors

Janiece Kelly
Software Developer
General Motors

Christopher Barr
Systems Engineer Staff
Lockheed Martin Corporation

Chad Harper
Systems Engineer Staff
Lockheed Martin Corporation

Keith Jackson
Aeronautical Senior Staff Engineer-
F35 Structures Test
Lockheed Martin Corporation

Ashley Johnson
Quality Assurance Engineer
Lockheed Martin Corporation

Zonda Nelson
Staff Systems Engineer
Lockheed Martin Corporation

Whitley Poyser
Project Engineering Manager, Space
Systems Corporation
Lockheed Martin Corporation

Charles Richberg , II
Software Engineering Manager
Lockheed Martin Corporation

Chantay White-Taylor
Mentor Protege Program
Manager
Lockheed Martin Corporation

Danisha Williams
Project Engineer
Lockheed Martin Corporation

Kenneth Means
Distribution Control Center
Supervisor
Mississippi Power Company

Kimberly Washington
Compliance and Support
Manager
Mississippi Power Company

Mary Lobo
Chief, Facility Management &
Planning Office
NASA Glenn Research Center

Queito Thomas
Lead Engineer AST, Aerospace
Experimental Facilities & Test
Technologies
NASA Glenn Research Center

Davon Johnson
Supervisory Engineer
Naval Surface Warfare Center,
Port Hueneme Division

Kurk Thomas
Signal Processor and Antenna
Electronics Engineer
Naval Surface Warfare Center, Port
Hueneme Division

Christopher Collins
Electrical Engineer
Sandia National Laboratories

Obert Merchant
Modeling and Simulation
Engineering Manager
Science Applications
International Company (SAIC)

Wilford Smith

Systems Engineer Chief
Science Applications International
Company (SAIC)

Ira Minor

Systems Engineer
Space and Naval Warfare Systems
Command

Bright Tsagli

Tutor
Student Government
Association

Nelson Akwari

Materials, Process, and Physics
Engineer
The Boeing Company

Jamie Haynes

Mechanical Systems Design and
Analysis Engineer
The Boeing Company

Oscar Kipersztok

Advanced Information
Technologist
The Boeing Company

Rupert Seals

Associate Technical Fellow, Boeing
Designated Expert, Technical Lead
Engineer
The Boeing Company

Ryan

Lead, GPS III Follow-On Production
Acquisition
U.S. Air Force
