

BEYA STEM

GLOBAL COMPETITIVENESS CONFERENCE

Modern-Day Technology Leader

2014 BEYA STEM Conference

Toni Ward

Electronics Engineer
402d Software Maintenance Group
(581 SMXS)

Marcus Rugger

Software Engineer
Aerotek

Stacie Williams

Technical Sales Consultant
AT&T Corporation Inc.

Emmanuel Pean

Systems Engineer II
BAE Systems

Marshall M. Williams, Ph.D.

Chief of Staff & Director of Sector Operations
BAE Systems, Support Solutions

Shalana Sugrim

Associate Engineer, DSO Support Staff
Baltimore Gas & Electric an Exelon Company

Vincent Holloway

Senior Associate
Booz Allen Hamilton

Gavin Stokes

Senior Associate
Booz Allen Hamilton

Marcus Washington

KBE Product Engineer
Chrysler Group LLC

Herve LeBlanc

Senior Scientist
Corning Incorporated

Jimmy Smith

Director, Above Water Sensors-PEO IWS
Department of Navy

Rae-Anne Alves

Infrastructure Manager
Accenture LLP

David Tran

Electrical Engineer
Aerotek

Cynthia Woods

Principal Member of Technical Staff
AT&T Corporation Inc.

Gerard Thomas

Systems Engineering Manager
BAE Systems

Yooku Bedu-Addo

Systems Operations Support
Baltimore Gas & Electric an Exelon Company

Nina Batie

Associate
Booz Allen Hamilton

Jeffrey Mendez

Associate
Booz Allen Hamilton

Sean Wilson

Associate/Senior System Engineer
Booz Allen Hamilton

Isaac Akridge

Director, Regional Electric Operations
ComEd, an Exelon Company

Christopher Shogbon

Development Scientist
Corning Incorporated

Sharri Graham

Senior Director Health IT
Dovel Technologies

Cheryl Moo-Young

Infrastructure Manager
Accenture LLP

Mikhiel Advani

Senior Network Support
AT&T Corporation Inc.

Rebecca Keith

Electrical Engineer
BAE Systems

Willie Williams, Jr.

Senior Lead Software Engineer
BAE Systems

Ratanak Heng

General Engineer, Reliability & Maintenance Planning
Baltimore Gas & Electric an Exelon Company

Wes Gavins

Senior Associate
Booz Allen Hamilton

Michael Ricks

Lead Associate
Booz Allen Hamilton

Jaison Busby

Chrysler Group LLC

Dorvel Offord

Area Manager CIPA
ComEd, an Exelon Company

Graylin Wimberly

Department of Defense

Omar Silver

Program Manager
Dovel Technologies

BEYA STEM

GLOBAL COMPETITIVENESS CONFERENCE

Modern-Day Technology Leader

2014 BEYA STEM Conference

Takesha Champion

Systems Engineer II
Exelis, Inc.

Ted Johnson

Director IT
Exelon Corporation

Ray Moye

Exelon Generation, Exelon Corporation

Anthony Mitchell

Engineer Technical Support
General Dynamics Advanced Info.
Systems

Blaze Baker

Information Assurance Engineer
General Dynamics Advanced
Information Systems

Andrea Vela

Advanced Engineer - Systems
General Dynamics Advanced
Information Systems

Timothy Leath

Senior Principal Software Engineer
General Dynamics Information
Technology

Gerard Skinner

Network Architect
General Dynamics Information
Technology

Tolulope Fayanjuola

Sr. Tactical Software Engineer
General Dynamics-Electric Boat

L'Netta Moss

Senior Manufacturing Project Engineer
General Motors LLC

Jennifer Sesay

Electrical Systems Avionics
Gulfstream Aerospace

Victor Ugbogbo

Senior QA Engineer
Exelis, Inc.

Dominique Brown

Engineer
Exelon Corporation/Exelon Generation

Kanaga Sahadewan

Exelon Generation, Exelon Corporation

Ruben Nieves-Hernandez

Systems Engineer
General Dynamics Advanced Info.
Systems

Hannibal Iyob

Senior Principal Systems Engineer
General Dynamics Advanced
Information Systems

Shurrone Davis

System Architect
General Dynamics Information
Technology

Brian Lewis

Server Operations Specialist
General Dynamics Information
Technology

Michael Carpenter

Senior Design Engineer
General Dynamics Land Systems

Albert Petties

Control Engineer
General Motors

Blanca Soules

Aeronautic Engineering Leader
Gulfstream

Youness Mokhtari

Mechanical Engineer Lead
Gulfstream Aerospace Company

Shadrack Orero

Principal Transmission Specialist
Exelon Constellation

Tiana Elam

Senior Project Manager
Exelon Generation, Exelon Corporation

Norvi Akorli

Sr. Software Tester
General Dynamics

Cynthia Albello

Information Assurance
General Dynamics Advanced
Information Systems

Michael Liu

Software Engineer
General Dynamics Advanced
Information Systems

Danielle Jones

Enterprise System Administrator Lead
General Dynamics Information
Technology

Juned Shaikh

Senior Enterprise Architect
General Dynamics Information
Technology

Carmen Fernandez

Sr. Engineer-Industrial Engineering
General Dynamics Land Systems

Victor Ekanem

Manufacturing Engineer - Test Systems
General Motors Baltimore Operations

Samuel Carrasco

Quality Leader
Gulfstream Aerospace

Lorena Cazal

Sustainability Engineer
Gulfstream Aerospace Corporation

BEYA STEM

GLOBAL COMPETITIVENESS CONFERENCE

Modern-Day Technology Leader 2014 BEYA STEM Conference

Tramone Curry

Simulation and Software Engineer
Gulfstream Aerospace Corporation

Alejandro Vea

Quality Leader
Gulfstream Aerospace Corporation

Jose Rosas

Manufacturing Engineer/Planner, Sr.
Gulfstream Aerospace, Mexicali

Roy Townsend, Sr.

Industrial Engineer 3
Huntington Ingalls Industries

Allen Cason

Mechanical Engineer III
Huntington Ingalls Industries, Inc.

Benjamin Price

Engineering Systems Modeling & Simulation I
Huntington Ingalls Industries, Inc.

Yohana Gonzalez

Manufacturing Engineer
Interiores Aereos, S.A. de C.V.
Gulfstream Aerospace Mexicali

Kenneth Havior

Systems Engineer Staff
Lockheed Martin Aeronautics

Dana Powers

Systems Engineer Staff
Lockheed Martin Aeronautics

Matthew Brown

Technical Director
Lockheed Martin Corporation

Marcus Dawson

Electronics Engineer Senior
Lockheed Martin Corporation

Cassandra Jackson

Lockheed Martin Corporation

Kenton Davis

Electrical Designer & Wire Router
Gulfstream Aerospace Corporation

Fernando Angeles

MT Lead
Gulfstream Aerospace, Mexicali

Luis Trujillo

Procurement Quality Engineer
Gulfstream Aerospace, Mexicali

Brandon Horton

Director of Electrical Engineering
Huntington Ingalls Industries - Ingalls
Shipbuilding

Fernando Gaines

Electrical Engineer 3
Huntington Ingalls Industries, Inc.

Vaughn Walston

Engineering Supervisor
Huntington Ingalls Industries, Inc.

Adrienne Alexander

Systems Engineer Staff
Lockheed Martin Aeronautics

Lennox Jackson

Systems Engineer Senior Staff
Lockheed Martin Aeronautics

Kirk Aytch

Systems Engineer Senior
Lockheed Martin Corporation

Craig Brown

System Engineer
Lockheed Martin Corporation

Anthony Garcia

Network Engineering Manager
Lockheed Martin Corporation

Ryan Johnson

Senior Software Engineer
Lockheed Martin Corporation

Carlos Orr

Industrial Engineer III
Gulfstream Aerospace Corporation

Ignacio Espinoza

Gulfstream Aerospace, Mexicali

Brandon Horton

Electrical Engineer
Huntington Ingalls Industries

Kimberly Grubb

Manager, Engineering 2
Huntington Ingalls Industries - Newport
News Shipbuilding

Kevin Martin

Manager Design Engineering I
Huntington Ingalls Industries, Inc.

Roberto Zeb Eng

Project Leader
Interiores Aereos, S.A. de C.V.
Gulfstream Aerospace Mexicali

Atherton Carty

Systems Engineer Principle
Lockheed Martin Aeronautics

Arthur Pemberton

System Engineer Staff
Lockheed Martin Aeronautics

Ronald Bass

Software Engineer
Lockheed Martin Corporation

Kenneth Campbell

System Engineer Lead
Lockheed Martin Corporation

Tashika Hussey

Engineer
Lockheed Martin Corporation

BEYA STEM

GLOBAL COMPETITIVENESS CONFERENCE

Modern-Day Technology Leader

2014 BEYA STEM Conference

Dominic Luminello

Senior Systems Integration Test Engineer

Lockheed Martin Corporation

Carl Tinsley

Engineer Project Manager

Lockheed Martin Corporation

Michael Eller

Materials Engineer Staff

Lockheed Martin Info. Systems & Global Solutions

Bret Smith

Software Engineer

Lockheed Martin IS & GS - Defense

Johnny Milien

Mechanical Engineer

Lockheed Martin Space Systems Company

Quintin Harris

Senior Manager, Procurement Engineering

Lockheed Martin, Aeronautics

Anthony Brown

Project Manager, THAAD

Missile Defense Agency

Warren Davis

GS-12-0855-Electronics Engineer

Naval Air Systems Command

Maurice Patterson

Lead Systems Integrity Engineer

Naval Air Systems Command

Monet Wilson

Electrical Engineer

Naval Air Systems Command

Shawnette Adams

Human Factors Engineer

Northrop Grumman Corporation

Reginald Matthews

Info. Assurance Engineer Staff

Lockheed Martin Corporation

Debra White

Systems Engineer

Lockheed Martin Corporation

Tia Furr

Project Management & Planning Operations

Lockheed Martin IS & GS

Derek Maxey

Software Engineer

Lockheed Martin Missiles & Fire Control

Nigel R. Moses

Project Manager

Lockheed Martin Space Systems Company

Keith Boykin

Systems Integration Test Engineer

Lockheed Martin, GTL

Richard Bowling, Jr.

Electronics Engineer

Naval Air Systems Command

Teia Fennoy

Transponder Engineer

Naval Air Systems Command

Angel Perez

Electronics Engineer

Naval Air Systems Command

Chibueze Uchendu

In-service Electrical Engineer

Naval Air Warfare Center

Eboni Fotang

Mission Assurance Manager

Northrop Grumman Corporation

Derek Stiles

Systems Engineer Staff

Lockheed Martin Corporation

Serena Johnson

System Integration & Test Engineer

Lockheed Martin Corporation IS & GS

Heidi Reimer Discoll

Project Management & Planning Operations Rep Staff

Lockheed Martin IS & GS

Andrew Bullard

Engineer Structural Analysis

Lockheed Martin Space Systems Company

Robert I. Wallace

Comp Systems Architect Senior

Lockheed Martin Space Systems Company

Yolanda Alexander

Director, Systems Engineering Directorate

Missile Defense Agency

Ericka Cottman

Electronics Engineer

Naval Air Systems Command

Arthur (Chidubem) Nwokoye

Electronics Engineer

Naval Air Systems Command

Lonnie Snead

Business Financial Manager

Naval Air Systems Command

Stanford Gross

Flight Test Engineer

Naval Air Warfare Center-Aircraft Division

Michele Fox

Software Engineer

Northrop Grumman Corporation

BEYA STEM

GLOBAL COMPETITIVENESS CONFERENCE

Modern-Day Technology Leader

2014 BEYA STEM Conference

Charles Garrett

Systems Engineer
Northrop Grumman Corporation

Arthur Okotete

Electrical Engineer
Northrop Grumman Corporation

Brad Swardson

Software Engineering Manager
Northrop Grumman Corporation

Richard Vitek

Northrop Grumman Corporation

Derrick Williams

PECO, an Exelon Company

Kenneth Angel

Program Manager /IPT Lead
Raytheon Integrated Defense Systems

Shanay Spencer

Material & Processes Engineer
Raytheon Space & Airborne Systems

Reginald A. Gillins, Sr.

Versatile Technologist
The Boeing Company

Walter Ellis

The MITRE Company

Prakash Subramanian

The MITRE Corporation

Carolyn Coleman

Computer Scientist
U.S. Air Force Eglin AFB, FL

Kwame Boateng

U.S. Army, Department of Defense

Kent Ishigooka

Manager, Call Center
Northrop Grumman Corporation

Simonetta O'Riordan-Adjah

Communications Systems Engineer
Northrop Grumman Corporation

William Thomas

Systems Safety Engineer
Northrop Grumman Corporation

Amani Foster

*Industrial Engineering Professional
Development Program*
Northrop Grumman Electronic Systems

Shelenia Jones

Software Engineer
Raytheon Company

Vincent Kirk

Sr. Principal Systems Engineer
Raytheon Space & Airborne Systems

Carlose Green

Project Engineer
The Aerospace Corporation

John F. Parnell

Versatile Technologist
The Boeing Company

Surina Kennedy

The MITRE Corporation

Joyce Brookins

Systems Engineer
U.S. Air Force

Tomyka Muse

Chief of Contracts Management Flights
U.S. Air Force Eglin AFB, FL

Moses Mingle

*Chief, Electronic Warfare Systems
Ground Branch*
U.S. ARMY CERDEC I2WD

Gowri Kannan

Software Engineer
Northrop Grumman Corporation

Rina Patel

Manager, Systems Engineering
Northrop Grumman Corporation

Zachary Van Note

Multimedia Manager
Northrop Grumman Corporation

Vincent Hodges

*Manager, MS&A Architecture &
Development*
Northrop Grumman Electronic Systems

John Mack

Principal Mechanical Engineer
Raytheon Company

Meike Louis

Sr. Systems Engineer II
Raytheon Space & Airborne Systems

Cedric Mann

Systems Director, Processing and IQ
The Aerospace Corporation

Linda M. S. Thomas

Associate Technical Fellow
The Boeing Company

Malcolm Kirwan

The MITRE Corporation

Tyrone Moore

Lead Electronics Engineer
U.S. Air Force

Victoria Pearson

Manufacturing/Quality Engineer
U.S. Air Force Eglin AFB, FL

Mario Beddingfield

Civil Engineers
U.S. Army Corps of Engineers

BEYA STEM

GLOBAL COMPETITIVENESS CONFERENCE

Modern-Day Technology Leader

2014 BEYA STEM Conference

Philip Merchant

*Construction Quality Assurance
Representative*
U.S. Army Corps of Engineers

John Green

Construction Representative
U.S. Army Corps of Engineers,
Chicago District

Alice Gholson

Assistant Engineer Officer
U.S. Coast Guard USCGC Escanaba

Amaka Oji

Petroleum Engineer
U.S. Department of Defense HQ Air
Force Petroleum Agency

Warren Judge

United States Coast Guard

Brian Moses

*Technical Team Lead for Fleet
Readiness Ctr.*
United States Navy

Karen Potts

*Director of SAMS Customer Planning
& Analysis*
Walmart (Information Systems
Division)
