

International Performing Arts for Youth (IPAY) Showcase Selection Committee

SELECTION COMMITTEE APPLICATION FORM

IPAY serves a wide range of global professionals, each serving their own unique audiences. As such, every effort is made to select a variety of professional performing arts for young audiences with diversity of form, genre, aesthetic, age range, audience capacity and intent.

If selected, you would officially join the Selection Committee in May just prior to Showcase Selection meetings in mid-June at the site of the upcoming Showcase. The first Selection meeting you would be expected to attend will occur over three days, from approximately 9am-7pm each day.

DUTIES & STRUCTURE OF SELECTION COMMITTEE:

- The Selection Committee is comprised of the Selection Committee Chair, President and Executive Director as well as a minimum of 7 current members of the organization. Importance is given to ensure that the members that comprise Selection Committee represent a balance of professional position (ie. artist, presenter), geographic representation, aesthetic and genre expertise as well as reflective of the audiences we serve in all aspects of diversity. This is an ongoing goal.
- Duties include recruiting artists and companies to apply for participation at Showcase; adjudicating the Showcase production applications and contributing feedback for non-selected applicants. Committee members are expected to be knowledgeable in areas specific to our criteria and relevant to a wide range of professional performing arts for young audiences.
- Each Selection Committee member is expected to attend all 3 days of Committee meetings at pre-specified dates in June, as well as to attend IPAY Showcase in subsequent Januarys. Each member shall serve for up to three (3) years.
- Attendance in person requires that either you or your organization assume overall responsibility for your travel, accommodations and out-of-pocket expenses associated with attending meetings.
- Selection Committee members are expected to review showcase applications prior to our meeting in June. This can involve up to 15-30 hours of time. Members are required to provide feedback as part of the Selection process and may be asked to be available to offer additional feedback directly to applicants after our June meetings.

Any questions regarding service on the Selection Committee can be directed to Rebecca Podsednik, Selection Committee Chair at rebecca@ipayweb.org or IPAY Executive Director, Boomer Stacey at boomer@ipayweb.org or 416-833-0916.

Please complete the following:

Name: _____
