## SHOWCASE 2019 SPONSORED STAGE APPLICATION

At Showcase 2019 we have some exciting changes to how we approach sponsored performances! We no longer have Sponsored Showcases or Spotlights. Now, two 20-minute “Sponsored Stage” opportunities will be offered, allowing companies and artists to sponsor their own performance!

The following opportunity is available:

- One 20-minute excerpt, of the production of your choice with limited tech support on the stage of the Levitt Auditorium during the IPAY Membership Meeting and Lunch on Wednesday, January 16, 2019.

Our emphasis is to show delegates an excerpt of your production within the allotted time. These special, limited opportunities are reserved for companies that are able to perform live, up to 20-minutes of their production to Showcase delegates. Two applicants will be chosen by lottery to participate in this opportunity.

Please be advised that the exact times of the Sponsored Stages are subject to change. Rehearsals are required and will take place on the day preceding the Sponsored Stage. Please note that as a requirement of this sponsorship, the sponsoring organization must purchase a booth in the Exhibition Hall. Rates are available [www.ipayweb.org](http://www.ipayweb.org).

Sponsored Stages additional benefits are:

- Exclusive Sponsorship recognition with logo on signage by your Sponsored Stage Session
- Sponsorship recognition in an announcement from the stage during the Sponsored Stage performance
- Half-page ad in the Showcase Program Book

In order to be fair to all applicants, a lottery will determine who will be selected. All Sponsored Stages must be low tech. Information on the venue and the guidelines for Sponsored Stage Artists are available upon request.

**To apply for the lottery, please e-mail the following application to [info@ipayweb.org](mailto:info@ipayweb.org) by 11:59pm EST on Monday, October 15, 2018.**
