Objective of the day:
- To build bridges between records managers and archivists and understand each other’s discipline better.

09:30 Registration and refreshments
10:00 Opening of meeting
  Welcome to University of Edinburgh
  Welcome to RMS Scotland Group and Society of Archivists Scotland Meeting by respective chairs.
10:10 Crossing the bridge
  Phil Astley, City Archivist at Aberdeen City Council
10:40 Rallying to the standards
  Frank Rankin, Information Governance Manager at NHS Education for Scotland
  It isn't easy for recordkeepers to rally when there are so many standards! Frank will briefly survey the current state of play in standards development across the sector, look at the organisational and political impact standards have had so far, and discuss some of the practical barriers to implementation.
11:10 Comfort break
11:20 Electronic Records Sustainability – The Scottish Government Approach
  Ken Glasgow, Corporate Records Manager at Scottish Government
11:55 Society of Archivists Scotland – Business meeting
  All delegates invited to attend.
12:25 Records Management Society Scotland Group – Annual General Meeting and elections
  All delegates invited to attend.
13:00 Lunch
14:00 MoReq
  Marc Fresko, Director of Serco Consulting
  MoReq2 is an important new de facto standard in electronic records management. In this talk Marc Fresko, who led the MoReq2 development team, will explain why MoReq2 is important and how to best to use it.
14:50 Workshop: “… and what is it you do exactly?”
  Delegates are split into groups to explain and discuss what their job entails, the issues they each face and how they overcome them.
  Refreshments available during the workshop.
15:20 Workshop reporting & Discussions
  Chair: George McKenzie, Keeper of the Records of Scotland, National Archives of Scotland
  Delegates report on the workshops and reflect on the findings.
16:00 Vote of thanks and end of meeting
