

PRESS RELEASE: 28 June 2018

ISE Student Recruitment Awards shortlist announced

The finalists in the [Institute of Student Employers](#) (ISE) Student Recruitment Awards 2018 have been unveiled.

More than 20 employers, universities and industry suppliers have been recognised across six categories for their commitment to raising standards in student recruitment, work experience and diversity. Police Now, EY, HSBC and Capp & Co lead the way with several nominations each.

Award-winning broadcaster Steph McGovern will host the glittering awards ceremony as part of the ISE's [Student Recruitment Conference](#), which also marks its 50th anniversary.

Stephen Isherwood, Chief Executive of the ISE, said: "It's great to see well-established organisations continuing to excel in our field as well as those who have been shortlisted for the first time. All of our finalists are well ahead of their game and offer valuable inspiration to everyone working in student recruitment."

Notes to editors

About the Institute of Student Employers

The Institute of Student Employers (ISE), [formerly the Association of Graduate Recruiters \(AGR\)](#), is an independent, not-for-profit member organisation that was established in 1968.

As the UK's leading independent voice for student employers, the ISE's vision is that the success of every business is maximised by full access to student talent.

The ISE achieves this by bringing together employers, the education sector and supplier partners, providing leadership and support in all aspects of student recruitment and development. ISE activities include:

- Promoting excellence and innovation in the resourcing, assessment and development of emerging talent including school leavers, apprentices and graduates
- Providing expert information and insight to ISE member organisations, creating engaged communities for professional networking and sharing of best practice
- Delivering comprehensive research on a range of issues affecting graduate, intern and apprenticeship recruitment and development, including current and future trends and benchmarking data
- Investing in the professional development of members to enhance their skills and knowledge, maximising their career opportunities within the profession
- Influencing key policy areas affecting student employment and the education sector
- Building a strong professional organisation with the right structure and team capabilities to deliver the services and support members require to fulfil their objectives
