## Call for Applications for Editor-in-Chief of *Journal of Molecular and Cellular Cardiology*

The Publication Committee of the International Society for Heart Research (ISHR) invites applications for the position of Editor-in-Chief of the *Journal of Molecular and Cellular Cardiology* (JMCC), the flagship journal of the society. The journal is published monthly by Elsevier. JMCC and its companion online open access journal JMCC Plus share a manuscript transfer system. The term of office is 3 years with the possibility of a second 3 year term. The term will begin January 1, 2026.

Candidates must be a leader in the cardiovascular field and hold a current academic appointment in cardiovascular science and an MD and/or PhD degree, or equivalent. Editorial experience with cardiovascular peer-reviewed journals is required. Scientific leadership, good communication skills, and familiarity with social media are required. Candidates should be willing to make a substantial time commitment to the journal (~20%).

Application should include a letter of intent stating the qualifications of the candidate and a brief (less than 2 page) statement of his/her plans for the journal and a curriculum vitae. This information should be submitted via email to Leslie Lobaugh ([llobaugh@ishrworld.org](mailto:llobaugh@ishrworld.org)).

The deadline for applications is **April 1, 2024**.
