

Thank you, 2018 CTRJ Reviewers

The Editor and Associate Editors of the *Clothing and Textiles Research Journal*, the Publication Policies Committee members, and the newly “retired” Vice-President for Publications, Pam Ulrich, would like to express their appreciation for all of the individuals who completed the review of one or more *CTRJ* manuscripts during 2018. The running/functioning of *CTRJ* is dependent on individuals like those listed below who support our journal every time they send in a completed review of one or more manuscripts. Publishing a quality peer review journal is only possible with the help of committed reviewers. I am particularly thankful for the majority of the reviewers who continued to review a manuscript through its various review cycles, kept to the review deadlines, and reviewed manuscripts during holidays, summer break, and in a timely manner.

The individuals with an asterisk next to their name are members of the *CTRJ* Editorial Board who actively reviewed manuscripts in 2018. These individuals, in accepting a position to the Editorial Board, agree to review multiple manuscripts each year. Thank you reviewers and Editorial Board members! Thank all of you for your hard work. Please accept our apologies if we inadvertently missed naming you as a reviewer or identifying you as an Editorial Board member.
