

**Apparel Design and Production Management Position**  
**Department of Consumer and Design Sciences**  
**College of Human Sciences, Auburn University**

**Position:** Assistant/Associate Professor, tenure track, nine month appointment

**Responsibilities:**

- Teach studio and lecture courses in two or more of the following areas:
  - Functional design
  - Product development
  - Technical and creative design (including flat patternmaking, draping, and drafting)
  - Traditional and digital illustration techniques
  - Apparel production
- Actively pursue a program of creative scholarship and/or research and grantsmanship.
- Participate in curriculum development and marketing for undergraduate and graduate programs.
- Direct and serve on graduate student committees.
- Participate in undergraduate student advising and mentoring of students for design competitions.
- Provide service to the department, college, and university.
- Be actively involved in relevant professional associations and with industry entities.

**Qualifications:**

- Ph.D. in related field required. Will consider candidates who are ABD at time of employment, with appointment at the Instructor level until completion of the doctoral degree within one year of initial hire date.
- The candidate must be fluent in English, and must possess excellent written and interpersonal communication skills.
- The candidate selected for this position must also be able to meet eligibility requirements to work in the United States at the time the appointment is scheduled to begin and continue working legally for the proposed term of employment.
- Desired: Evidence of studio-based instruction, interest in design scholarship (documented through juried design exhibitions and a portfolio of own and mentored student work), familiarity with apparel design technologies such as Adobe Creative Suite, Optitex, other emerging technologies (e.g., 3D and digital textile printing, body scanning, laser cutting), and familiarity with sustainable design practices.

**Department and University:** The Department of Consumer and Design Sciences has 19 faculty positions (15 full-time, tenured/tenure track and 4 lecturers), 525 undergraduates and 30 graduate students. Bachelor of Science programs are Apparel, Merchandising, Design and Production Management (AMDP), with Apparel Design and Merchandising Options, Interior Design (INDS), and newly offered Philanthropy and Nonprofit Studies. The graduate program offers masters (thesis and non-thesis) and doctoral degrees in Consumer and Design Sciences. Auburn University, a R1 land-grant institution with 30,000 students is located in the east Alabama city of Auburn, and has consistently been ranked by US News and World Report as one of the top 50 public universities in the United States. For more information please see <http://humsci.auburn.edu/cads/> and <http://www.auburn.edu/>

**Start Date:** Position is available August 16, 2019.

**Application:** Apply on-line using the ink: <https://aufacultypositions.peopleadmin.com/postings/3326>.

Provide application letter, complete CV, transcripts from all universities attended, portfolio of student work and/or own professional work; statements of teaching philosophy and of research/ creative scholarship; evidence of teaching effectiveness; and three professional references with names, addresses, and phone numbers. Only complete application materials will be considered. Review of applications will begin on February 11, 2019 and will continue until the position is filled. For more information, please contact:
